6. Consideration of objection to a Temporary Event Notice

   Special circumstances justifying urgent consideration

A meeting of the Licensing Sub-Committee has been convened as a result of an objection raised by the Police/Council’s Noise Team (delete as appropriate) regarding a Temporary Event Notice (TEN). Section 105 (2)(a) (of the Licensing Act 2003 [part5]) requires a minimum of two days' notice to be given. The event is due to take place on 31 December 2017 to 1 January 2018.

The Chair is of the opinion that although the meeting has not been convened with at least five clear days' notice, it should proceed now as a matter of urgency to consider the objections to the TEN because of the special circumstances of the need to comply with the statutory requirements of the Licensing Act 2003.

The Chair is of the opinion that although the meeting has not been convened with at least five clear days notice, it should proceed now as a matter of urgency to consider the objections to the TEN because of the special circumstances of the need to comply with the statutory requirements of the Licensing Act 2003.

Appendices

1. Report and annexes for Bureau of Silly Ideas, Arch 555, 18 Valentia Place, SW9 TENs10037
1. **Context**

1.1 Authorisation from the Council is required for the sale or supply of alcohol, the provision of regulated entertainment and the provision of late night refreshment.

1.2 While most large-scale or permanent businesses will hold Premises Licences to authorise their activities, the Act also provides a light-touch mechanism for smaller, infrequent events, known as Temporary Event Notices.

1.3 An individual (known as the “premises user”) may give notice of a proposal to use premises for a temporary event, engaging in one or more licensable activities for a period of no more than 168 consecutive hours. The Licensing Sub-Committee is required to consider any objection notice received, and must give the premises user a counter-notice under section 105 of the Licensing Act 2003 if it considers it appropriate for the promotion of a licensing objective to do so. The temporary event may not proceed if a counter-notice has been issued.

2. **Proposals and Reasons**

2.1 The Licensing Sub-Committee has responsibility for exercising many of the Council’s powers in respect of the Licensing Act 2003. Consideration by the Committee of the notice appended to this report is required because the notice have attracted an objection from the Police and the Council’s Community Safety Team.

2.2 Details of the notice are set out in the Appendix to this report. The statutory consultation requirement set out in paragraph 3 below has been complied with by the premises user(s), and has resulted in the Noise Team and/or the Police giving an objection notice to the licensing authority.

2.3 The premises user, the Police and the Community Safety Team have been invited to attend the hearing.

2.4 The fee for giving a temporary event notice is prescribed within the Licensing Act 2003.

3. **Consultation Requirements**

3.1 The premises user is required to give a copy of any temporary event notice to the Police and the Council’s Environmental Health (Community Safety Team) no later than 10 working days before the first day of the proposed event. If either body is satisfied that allowing the premises to be used in accordance with the notice would undermine any of the licensing objectives, they must give an objection notice to the licensing authority and to the premises user within three working days of receiving the copy of the notice. It is also possible to give a late TEN with between 5 and 10 working days’ notice, however if an objection notice is given the event cannot proceed.

3.2 An applicants’ failure to comply with the above consultation requirements would invalidate the notice. All notices set out in the appendix of this report have complied with the consultation requirements.

3.3 The Act does not make provision for further consultation with any other responsible authorities nor interested parties, and there is no requirement for the premises user to publicise their notice.

4. **Finance**

4.1 There are no direct financial implications arising from this report.
5. **Legal and Democracy**

5.1 The authorisation of premises for the supply of alcohol, regulated entertainment and late night refreshment fall within the provisions of the Licensing Act 2003.

5.2 When carrying out its licensing functions, the Sub-Committee shall act with regard to the Council's Licensing Policy, Statutory Guidance, and with a view to promoting the Licensing Objectives. The objectives are:

- a. the prevention of crime and disorder;
- b. public safety;
- c. the prevention of public nuisance; and,
- d. the protection of children from harm.

5.3 The Sub-Committee must ensure that all licensing decisions have:

- a. a direct relationship to the promotion of one or more of the four licensing objectives;
- b. regard to the statement of licensing policy;
- c. regard to the Secretary of State's Guidance; and,
- d. there must not be a 'blanket policy' to the extent that it is applied so rigidly that an exercise of discretion in each individual case is precluded.

Applications must be considered with regard to the principles of fair process and the Human Rights Act.

5.4 The purpose of Lambeth’s Statement of Licensing Policy is to make clear to applicants and relevant representatives the considerations that will be taken into account when determining applications. It is also intended to guide the Licensing Committee when considering licensing applications; however the Licensing Committee must consider each application on its own merit and only allow exceptions to its own policy where the circumstances of the application justify it.

5.5 Subject to both the Council's Statement of Licensing Policy and Statutory Guidance having been properly considered, a Sub Committee may depart from them if there are good reasons for doing so. Full reasons must be given and Sub-Committees should be aware that such departures could give rise to an appeal or judicial review.

5.6 Section 105(2)(b) of the Act requires that the licensing authority must, having regard to the objection notice, give the premises user a counter notice under this section if it considers it, “appropriate for the promotion of a licensing objective to do so.” The temporary event may not proceed if a counter-notice has been given.

5.7 Section 106A(2) of the Act provides that the licensing authority may impose one or more conditions on the standard TEN if:

- a. it considers it appropriate for the promotion of the licensing objectives to do so;
- b. the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of or in any part of the same premises as the TEN; or,
- c. the conditions would not be inconsistent with the carrying out of licensable activities under the TEN.
5.8 It is considered inappropriate for officers involved in the administration of notices to make recommendations. However, the Committee may choose whether to have regard to any representations made by police officers or Council’s Noise and Pollution Team if they believe that using the premises in accordance with the TEN will undermine the licensing objectives.

5.9 At any time prior to the hearing, the police or the Council’s Noise and Pollution Team may, with the agreement of the premises user, modify the temporary event notice by making changes to the notice. The objection notice shall be treated as having been withdrawn from the time the temporary event notice is modified. The premises user may also withdraw the notice completely at any time up until 24 hours prior to the proposed start time of the notice.

5.10 In accordance with the provisions of Part 3 of Schedule 5 of the Act, where the licensing authority gives a counter-notice under section 105, the premises user may appeal against the decision. Where the authority does not give a counter-notice, the person giving the objection notice may appeal against the decision. In both cases, appeals must be made to a Magistrates Court within 21 days of receiving notification of the decision - however, no appeal can be brought less than 5 working days prior to the first proposed event day.

Policy implications:

**Licensing Objectives (chapters 6, 9, and 14, pages 12, 16 and 23 of the policy)**

The Licensing Objectives engaged by this application are:

**Prevention of Public nuisance**

The policy on page 23, paragraph 14.2 strongly recommends that those giving TENs for premises already holding a premises licence in order to extend the hours of operation, should carefully consider applying any conditions on their licence to the TEN. This, it states, is particularly relevant for conditions relating to noise control as any noise sensitive area is likely to become more noise sensitive with later hours.

1. **Application:**

1.1 Mr. Roger Hartley (Personal Licence Holder Pers4492) on the 8\textsuperscript{th} of December 2017 gave the Licensing Authority a Temporary Event Notice (TEN) under section 100 of the Licensing Act 2003.

1.2 The Notice will authorise the following licensable activities:

   - The sale of retail of alcohol (on and off)
   - The provision of Late Night Refreshment; and
   - The provision of regulated entertainment

   It is proposed to provide these activities and entertainment during the following times:
   - From: **Sunday 31st December 2017 between 21:00 and 00:00 and Monday 1st January 2018 between 00:01 and 04:00 hours** (for 120 people)

   A copy of the application is attached to this report as **Annex A**
## 2. Representations:

2.1 An objection to the TEN was received on 12th December 2017 from Community Safety. The objection engages with the licensing objective:-

**Prevention of public nuisance**

2.2 The objection states that officers from this responsible authority had received several complaints about noise nuisance emanating from this and the surrounding premises in this area between the hours of 23:00 and 03:00hrs, and that permitting this event to proceed as proposed would undermine the licensing objective.

Officers provided a copy of the objection to the premises user via email on the 12th of December 2017, is appended to this report as **Annex B**.

2.3 Noise officers have indicated that they intend to provide further supporting information in the form of a video footage with regard to their objection. **Annex C**.

The last date for giving an objection notice was **13th of December 2017**.

## 3. Current Licence:

3.1 There is no current premises licence in place for this venue no pending application, as it is unlicensed.

## 4. Background History:

4.1 The premises is located very close to Brixton Market and in close proximity to other licensed premises. There is a list of these premises which is attached to this report as **Annex D**.

4.2 The applicant has put in 6 notices this Calendar year.

## 5. Observations:

5.1 The parts of the Statutory Guidance (April 2017) relevant to this application and the representations received are Chapters:

- 7 – Temporary Event Notices;
- 9 – Determining Applications;
- 15 – Regulated Entertainment.

5.2 The parts of the Statement of Licensing Policy that relevant to this application and the representations are Sections:

- 5. The Licensing Objectives
- 6. The Prevention of Crime and Disorder
- 8. Prevention of Public Nuisance
- 14. Temporary Events

**Appendix 6 – Applications**

**Appendix 7 – Crime and Disorder**

**Appendix 9 – Public Nuisance**
6. Conclusion:

6.1 Section 106A(2) of the Act provides that the licensing authority may impose one or more conditions on the standard TEN if:
- it considers it appropriate for the promotion of the licensing objectives to do so;
- the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of or in any part of the same premises as the TEN;
- the conditions would not be inconsistent with the carrying out of licensable activities under the TEN.

6.2 Members have three options when determining this Notice,
- To issue a Counter-Notice,
- To refuse to issue a Counter Notice

The Community Safety Area Teams, a responsible authority for the purpose of the Licensing Act 2003 hereby makes an objection to an application made by Roger Hartley to hold a temporary event on 

**Sunday 31st December 2017 between 21:00 and 00:00 and Monday 1st January 2018 between 00:01 and 04:00 hours** at the above location, application reference TEN 10037 refers.

This objection is made on the grounds of Prevention of Public Nuisance.

We received complaints about this premises on the 7th November 2017 via web form regarding an event held at this premises on the 28th October 2017.

I also spoke with a local business on the 7th November who was able to provide us with video footage highlighting the noise nuisance and evidence that the premises was not promoting the licensing objectives on the same date.

I have since spoken to a further complainant who was also disturbed on this night and on other occasions by the establishments within this area on the following dates:

31st October
4th November

The complainants have confirmed that they generally suffer from noise nuisance every time a TEN event is held at this premises and this dates back to May 2017.

One of the complainants has made several complaints to network Rail regarding this and other premises in the area regarding nuisance from licensed activities.

On the 12th December 2017 I received 2 further complaints regarding an event held on the 9th December 2017. A check of our records confirm that no TENS was applied for and therefore this is deemed as an unlicensed event.
Both complainants were sure that this was the premises holding the event and were the cause of the nuisance.

We would therefore ask the Licensing sub-committee to issue a counter-notice so this event cannot go ahead.

Yours sincerely

Sean Biggart
