## **How to access the meeting**

If you wish to attend the meeting in person, public access can be made available for limited numbers, but please contact Democratic Services (details on the front sheet of the agenda) before the meeting so that arrangements can be made.

## **Can I make representations at PAC meetings?**

You may speak in relation to planning applications and other applications that are to be decided by the Committee. Up to three supporters (including applicants), three objectors and the Ward Members can make representations to the meeting at the Committee's discretion for a maximum of two minutes each.

If you would like to make representation, please contact the clerk (details on the front page of the agenda) or [democracy@lambeth.gov.uk](mailto:democracy@lambeth.gov.uk).

You must register your wish to make representations on any application by 12 noon on the last working day before the meeting. You are encouraged to participate online and should supply a written statement (approximately 300 words) outlining the points you wish to make to the committee. The written statement when read aloud must not take more than two minutes. If you are not able to participate online, public access can be made available for limited numbers, however, due to continuing Covid-19 precautions, you should inform Democratic Services as soon as possible and before the deadline.

For further information please contact Democratic Services as soon as possible by telephoning 020 7926 2170 or emailing [democracy@lambeth.gov.uk](mailto:democracy@lambeth.gov.uk).

Where the number of requests to address the committee exceeds three, and/or it is clear the interested parties wish to make similar points, the interested parties will be asked to liaise so that all the points can be raised succinctly.

Where the Committee is hearing a Pre-application Development Presentation, you will not be able to register to speak in connection with that presentation. Pre-application Development Presentations relate to proposals that are still at the pre-application stage. Pre-application Development Presentations (explained further below) do not involve the determination of an application by the Committee.

## **What are Pre-application Development Presentations?**

These are presentations to the Committee on proposed developments which have not yet been submitted as planning applications for formal determination. The purpose of the presentation is to make Committee members aware of the emerging proposal and to have an opportunity to ask questions of the developer and to highlight issues to the developer that may require further consideration. The Committee does not make any decision about the proposals. Any proposal that is presented to the Committee through a Pre-application Development Presentation will still require a planning application to be submitted and determined in the usual way.

## **What is the process for hearing Pre-application Development Presentations?**

Items involving Pre-application Development Presentations will be identified in the agenda papers. If an officer report has been prepared it will be published as part of the agenda papers and at the start of the item, the officer will briefly summarise their report.

The developer will then give a presentation to the Committee. This may involve the use of slides or images, which will be made available to Committee members and which people watching or attending the meeting will also be able to see. Committee members will then be invited to ask questions of the developer and will have an opportunity to highlight issues that may require further consideration by the developer. The item will be included in the minutes of the meeting.

## **Representation**

Ward Councillors (details via the website [www.lambeth.gov.uk](http://www.lambeth.gov.uk) or phone 020 7926 2131) may be contacted at their surgeries or through Party Group offices to represent your views to the Council: (Conservatives 020 7926 2213) (Labour 020 7926 1166) (Greens 020 7926 2225).
