Speaking rights at Cabinet meetings

- Cabinet normally has a large amount of business to consider at each meeting;
- accordingly, the order of the agenda and time allowed for each item is decided by the Leader of the Council beforehand;
- Cabinet expects there to have been prior consultation with the public and other interested parties on proposals and a summary of the results to be included in the report. Therefore, oral contributions from members of the public at the meeting should not normally be necessary;
- the time available may allow contribution(s) to be heard on reports on the agenda but this is entirely at the discretion of the Leader of the Council.
- Anyone wishing to speak must inform Democratic Services by 12 noon on the working day before the meeting advising what aspect not covered in the report they wish to cover;
- any such contributions are required to be brief; a maximum of three minutes is likely to be available;
- speakers should ideally be on behalf of a number of people or a specific group;
- speakers will be advised at the meeting whether and when they will be heard; and,
- Councillors may speak at the discretion of the Chair on agenda items, and are entitled to speak on matters that specifically concern their ward.

Security

Please be aware that you may be subject to bag searches and asked to sign in at meetings that are held in public. Failure to comply with these requirements could mean you are denied access to the meeting. There is also limited seating which is allocated on a first come first serve basis, and you should aim to arrive at least 15 minutes before the meeting commences.
