Please note that the Chair of the meeting has the discretion to halt any recording for a number of reasons including disruption caused by the filming or the nature of the business being conducted.

Participation at West Norwood Cemetery meetings

Members of the public are welcome to participate at the discretion of the Chair in discussion of topics present on the agenda with priority accorded to formal Committee members. Any item of discussion not included on the agenda or discussed in a previous meeting can be raised again with the approval of the Scheme of Management and Advisory Group Chairs (via Democratic Services) prior to agenda publication (at least seven days prior to the meeting date). Please be aware that the Advisory Group is the more appropriate body for the expression of views from members of the public, given that the Scheme of Management Committee is primarily a decision-taking body working on the advice of the Advisory Group.
