Notice of forthcoming Key Decisions

Local authorities are required by law to give 28 days' notice of any key decisions to be made. The Forward Plan sets out information about the key decisions that Cabinet, individual Cabinet Members, the Health and Wellbeing Board and the Better Places Joint Committee intend to make in forthcoming months. It ensures public notice of all key decisions is provided at least 28 days' in advance of the decision date.

The Forward Plan contains information about each forthcoming key decision and is published to the Council website every week, usually on a Monday.

What is a Key Decision?

The Lambeth Council Constitution defines a key decision as an executive decision that:

- 1) Requires an amendment to the Community Plan Outcomes Framework or requires a recommendation to Full Council to amend the Budget and Policy Framework;
- 2) Results in the local authority incurring expenditure, raising income or the making of savings in excess of £500,000; or,
- 3) Has a significant impact on:
 - a) communities living or working in an area comprising two or more wards in Lambeth;
 - b) the wellbeing of the community or the quality of service provided to a significant number of people living or working in an area; or,
 - c) Communities of interest.

The majority of key decisions are taken by the Cabinet or individual Cabinet Members (the Executive). Each Key Decision will be communicated via a comprehensive report which must be published at least five clear days before the decision is taken. Published reports can be accessed through [Decisions Online](#). Cabinet reports will also be available in [Cabinet agenda packs](#), which are published five clear days before the meeting.

The Executive cannot consider key decisions that have not been included on the Forward Plan. However, the Council Constitution sets out procedures that can be used if a decision that has not been advertised on the Forward Plan must be taken immediately. Urgency procedures can only be used in exceptional circumstances. For further information on Access to Information procedure rules please see Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

What information is included on the Forward Plan?

The Forward Plan gives information about:

- key decisions that are likely to be considered in forthcoming months;
- the earliest date a key decision can be taken;
- who will make a decision;
- what consultation will be undertaken;
- whether the forthcoming report is likely to include exempt or confidential information;

- A list of background documents to be submitted to the decision maker for consideration in relation to the forthcoming decision; and,
- who you can contact for further information.

Public representations and further information

Each Forward Plan entry gives the name of the relevant officer to contact about that particular decision. Where possible, a contact name, e-mail address and telephone number are provided.

Members of the public can make representations about forthcoming decisions by:

- Contacting the Lead Officer responsible for the report;
- Contacting the decision maker or relevant Cabinet Member (details can be found on the [council website](#)); and,
- Contacting Democratic Services.

Any document listed in the Forward Plan can be requested via the Lead Officer or by contacting Democratic Services. The reader is encouraged to access any such documents electronically, however copies or extracts may be made available at the following address on request: Lambeth Town Hall, Brixton Hill, SW2 1RW.

When making representations, members of the public may submit to the decision maker any further documents relevant to the decision.

All decision dates given in the Forward Plan are subject to change. Therefore, please ensure that you always consult the latest version of the Forward Plan for the most up to date information. Any further queries can be directed to Democratic Services.

Notice of decisions likely to contain confidential or exempt information

Local authorities are required to specify 28 days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information. Should this be the case, a private 'Part 2' report will be produced to accompany the main report but will not be published. The public and press may also be asked to leave the Cabinet meeting for part of the proceedings. Any person is able to make representations if they believe the decision should instead be made in the open part of the meeting.

If you wish to make any such representation please contact Democratic Services. All representations will be documented in the relevant agenda a minimum of five clear days before the Cabinet meeting takes place. This will also include any response to the representations and a statement of the reasons why the meeting is to be held in private.

For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

Decision: Direct Labour Organisation (Housing Services)

An important decision needs to be taken agreeing to the creation of a Direct Labour Organisation (“DLO”), allowing Council’s employees to undertake communal repairs in the community and carry out tailored property adaptations for some of the borough’s most vulnerable residents in need of additional support and care.

Creating the DLO from scratch will offer residents efficiently managed services, which are financially viable and promote the use of digital systems to track and monitor services being delivered by the DLO.

Reaching this decision to create a bespoke internalisation and delivery of communal repairs and adaptations was in direct response to listening to residents’ feedback as well as members’ throughout. Our ability to proceed with the structural setting up of the DLO in terms of:

- Mobilisation
- Recruitment drive of competent staff (and apprenticeships)
- Absorption of Housing Services’ technical property adaptation function into the DLO
- Lease necessary hybrid/electric vehicles and partner with digitally advanced builders’ merchant and procure necessary dynamic ICT and resource management infrastructure

All the above key activity points depend upon approval of this Forward Plan decision. The decision needs to be taken by October 2020 to allow orderings and recruitment to commence. A go-live date for the DLO is January 2021.

Decision: Options Appraisal for In-borough Residential Children's Home

The Children Act 1989 requires local authorities to provide sufficient accommodation that meets the needs of the borough's looked after children.

The report will consider options that aim to:

- a) reduce the current spend for accommodating looked after children in residential children's homes.
- b) Improve the health, education and social care outcomes for Lambeth's looked after children,
- c) Reduce the number of children that are placed 20 miles or further away
- d) Improve in-borough sufficiency of residential care

A decision will be required as to which option, if any, Cabinet will support to provide in-borough residential care services.

Capital investment is likely to be required following identification of suitable property/properties in the housing stock that will require modifications to make them fit for purpose.

Agree to the procurement of the vehicle leasing of 35 vehicles via the councils existing Fleet Management Framework for the necessary hybrid/electric vehicles

DLO staff will require vehicles to move around the borough to transport materials and tools to carry out their repairing or inspecting duties. The vehicles will be consistent with the Council's commitment to being Zero Carbon by 2030. All vehicles leased from the leasing company will be Cat 6 compliant(EU Standard) the hybrid vehicles will emit less than 75g/km CO2, or will be ultra-low emission. Decision: Direct Labour Organisation (DLO) - Procurement of Materials Supplier

Decision to allow the DLO to call-off from the Procurement for Housing Framework by Direct Award, an established builders merchant (Travis Perkins) for the supply and management of materials for the DLO.

A new scheduling system, which is being implemented separate to this procurement will enable the DLO to provide levels of service that our customers demand and expect. We can deliver 'right first time' fixes leading to a more streamlined operation. Materials usage will be tracked and delivery will be directly to the operatives van, or other agreed location this also eliminates the need for a depot and or a large storage space.

<p>Decision: ICT Laptop and Desktop Refresh 2020</p> <p>This decision is about the proposed additional spend of £1m on an existing procurement contract to procure Laptops and associated products and services. There is a huge demand in the world for laptops as organisations prepare for staff working from home due to COVID 19. This exposes the council to multiple risks of availability and pricing in the supply chain. This is being proposed as current COVID 19 situation is not ideal for getting good value through a new procurement due to economic and supply chain uncertainty.</p> <p>Ward(s) affected: All Wards</p>

Decision: Passenger Transport Services for Adult Social Care (ASC), Children’s Social Care (CSC) and Special Educational Needs and Disabilities (SEND)

Lambeth Council provides passenger transport services to a wide range of Lambeth residents, across services within adult social care, children’s social care and Special Educational Needs and Disabilities (SEND). The Council has a duty under the Education Act 1996 Chronically Sick and Disabled Persons Act 1970?(in respect of children) and the Care Act 2014 (in respect of adults) to provide transport to those assessed in need. Provision may be made by taxi, among other means.

Lambeth Council currently administers a framework for Passenger Transport Services, which is due to expire on 30 November 2020.

The proposal is to:

- 1) Vary the Passenger Transport Services (Taxi) Framework Agreement to increase the Framework value by £4.728m in to cover overspend as of 29 April 2020 of £2.228m and request an additional

£2.500m to cover potential increase spend for the duration of the contract.
 2) Award contracts to nine active providers for a period of eight months from 1 December 2020 to 31 July 2021. The direct award of contracts will support continuity of services and provider sustainability, whilst enabling the council sufficient time for service redesign and to undertake a full competitive tender for a new Approved Provider List contract, set to commence 1 August 2020.
 3) Retender the Passenger Transport Services contract. The proposed model is an Approved Provider List for a four-year term (1 August 2020 to 31 July 2024) with an option to extend twice for one year (1+1) up to 31 July 2026.

<p>Decision: Proposal regarding the site at the former Clapham Old Library</p> <p>Following the acquisition of the property at 60 Orlando Road, the Council is proposing to work with Ipsus Developments and Omnibus Theatre to bring forward plans for a small scale redevelopment of the rear of the site, with the aim of creating a new asset, subject to further discussions with the planning department and formal consent, which will provide a sustainable revenue stream to the parties. The form of this joint venture is being discussed and it is anticipated that any works contracts will be under the OJEU threshold.</p> <p>The Council wishes to engage with the above parties who will bring the local and commercial expertise to the venture. Ipsus Developments brought the opportunity to the Council and in recognition of their input to the process, it is proposed that the Council continues to utilise their significant local development expertise.</p> <p>The Council also wishes to continue to work collaboratively with Omnibus to ensure the future of the building as a leading performance arts venue.</p>

Decision: Extension of FMS contract – for Lambeth’s cremators

The decision is to approve a 12-month extension of the existing contract with FMS for the supply and maintenance of our two cremators at Lambeth and West Norwood crematoria, from 1 July 2020 to 30 June 2021. This is needed because of changes to the procurement process for securing new cremators, which has delayed the overall process.
