Notice of forthcoming Key Decisions

Local authorities are required by law to give 28 days' notice of any key decisions to be made. The Forward Plan sets out information about the key decisions that Cabinet, individual Cabinet Members, the Health and Wellbeing Board and the Better Places Joint Committee intend to make in forthcoming months. It ensures public notice of all key decisions is provided at least 28 days' in advance of the decision date.

The Forward Plan contains information about each forthcoming key decision and is published to the Council website every week, usually on a Monday.

What is a Key Decision?

The Lambeth Council Constitution defines a key decision as an executive decision that:

- 1) Requires an amendment to the Community Plan Outcomes Framework or requires a recommendation to Full Council to amend the Budget and Policy Framework;
- 2) Results in the local authority incurring expenditure, raising income or the making of savings in excess of £500,000; or,
- 3) Has a significant impact on:
 - a) communities living or working in an area comprising two or more wards in Lambeth;
 - b) the wellbeing of the community or the quality of service provided to a significant number of people living or working in an area; or,
 - c) Communities of interest.

The majority of key decisions are taken by the Cabinet or individual Cabinet Members (the Executive). Each Key Decision will be communicated via a comprehensive report which must be published at least five clear days before the decision is taken. Published reports can be accessed through [Decisions Online](#). Cabinet reports will also be available in [Cabinet agenda packs](#), which are published five clear days before the meeting.

The Executive cannot consider key decisions that have not been included on the Forward Plan. However, the Council Constitution sets out procedures that can be used if a decision that has not been advertised on the Forward Plan must be taken immediately. Urgency procedures can only be used in exceptional circumstances. For further information on Access to Information procedure rules please see Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

What information is included on the Forward Plan?

The Forward Plan gives information about:

- key decisions that are likely to be considered in forthcoming months;
- the earliest date a key decision can be taken;
- who will make a decision;
- what consultation will be undertaken;
- whether the forthcoming report is likely to include exempt or confidential information;

- A list of background documents to be submitted to the decision maker for consideration in relation to the forthcoming decision; and,
- who you can contact for further information.

Public representations and further information

Each Forward Plan entry gives the name of the relevant officer to contact about that particular decision. Where possible, a contact name, e-mail address and telephone number are provided.

Members of the public can make representations about forthcoming decisions by:

- Contacting the Lead Officer responsible for the report;
- Contacting the decision maker or relevant Cabinet Member (details can be found on the [council website](#)); and,
- Contacting Democratic Services.

Any document listed in the Forward Plan can be requested via the Lead Officer or by contacting Democratic Services. The reader is encouraged to access any such documents electronically, however copies or extracts may be made available at the following address on request: Lambeth Town Hall, Brixton Hill, SW2 1RW.

When making representations, members of the public may submit to the decision maker any further documents relevant to the decision.

All decision dates given in the Forward Plan are subject to change. Therefore, please ensure that you always consult the latest version of the Forward Plan for the most up to date information. Any further queries can be directed to Democratic Services.

Notice of decisions likely to contain confidential or exempt information

Local authorities are required to specify 28 days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information. Should this be the case, a private 'Part 2' report will be produced to accompany the main report but will not be published. The public and press may also be asked to leave the Cabinet meeting for part of the proceedings. Any person is able to make representations if they believe the decision should instead be made in the open part of the meeting.

If you wish to make any such representation please contact Democratic Services. All representations will be documented in the relevant agenda a minimum of five clear days before the Cabinet meeting takes place. This will also include any response to the representations and a statement of the reasons why the meeting is to be held in private.

For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

Decision: Direct Labour Organisation (Housing Services)

An important decision needs to be taken agreeing to the creation of a Direct Labour Organisation (“DLO”), allowing Council’s employees to undertake communal repairs in the community and carry out tailored property adaptations for some of the borough’s most vulnerable residents in need of additional support and care.

Creating the DLO from scratch will offer residents efficiently managed services, which are financially viable and promote the use of digital systems to track and monitor services being delivered by the DLO.

Reaching this decision to create a bespoke internalisation and delivery of communal repairs and adaptations was in direct response to listening to residents’ feedback as well as members’ throughout. Our ability to proceed with the structural setting up of the DLO in terms of:

- Mobilisation
- Recruitment drive of competent staff (and apprenticeships)
- Absorption of Housing Services’ technical property adaptation function into the DLO
- Lease necessary hybrid/electric vehicles and partner with digitally advanced builders’ merchant and procure necessary dynamic ICT and resource management infrastructure

All the above key activity points depend upon approval of this Forward Plan decision. The decision needs to be taken by October 2020 to allow orderings and recruitment to commence.

A go-live date for the DLO is January 2021.

| Decision: Children Looked After and Care Leavers Sufficiency Strategy 2020-2023 |
| Section 22G of the Children's Act (1989) requires local authorities to ensure sufficient accommodation |

within respective boroughs that meet the needs of children that are looked after ('the sufficiency duty'). Lambeth's Children Looked After Sufficiency Strategy 2017-2020 was approved by Cabinet in January 2017.

This Strategy sets out how Lambeth will meet its responsibilities to commission and provide secure, safe and high quality placements and accommodation to children looked after and care leavers.

Cabinet will be asked to agree to the action plan created to meet our statutory requirements.

Decision: Options Appraisal for In-borough Residential Children’s Home

The Children Act 1989 requires local authorities to provide sufficient accommodation that meets the needs of the borough’s looked after children.

The report will consider options that aim to:

- a) reduce the current spend for accommodating looked after children in residential children’s homes.
- b) Improve the health, education and social care outcomes for Lambeth’ s looked after children,
- c) Reduce the number of children that are placed 20 miles or further away
- d) Improve in-borough sufficiency of residential care

A decision will be required as to which option, if any, Cabinet will support to provide in-borough residential care services.

Capital investment is likely to be required following identification of suitable property/properties in the housing stock that will require modifications to make them fit for purpose.

| <p>Decision: ICT Laptop and Desktop Refresh 2020</p> <p>This decision is about the proposed additional spend of £1m on an existing procurement contract to procure Laptops and associated products and services. There is a huge demand in the world for laptops as organisations prepare for staff working from home due to COVID 19. This exposes the council to multiple risks of availability and pricing in the supply chain. This is being proposed as current COVID 19 situation is not ideal for getting good value through a new procurement due to economic and supply chain uncertainty.</p> | |
