Notice of forthcoming Key Decisions

Local authorities are required by law to give 28 days' notice of any key decisions to be made. The Forward Plan sets out information about the key decisions that Cabinet, individual Cabinet Members, the Health and Wellbeing Board and the Better Places Joint Committee intend to make in forthcoming months. It ensures public notice of all key decisions is provided at least 28 days' in advance of the decision date.

The Forward Plan contains information about each forthcoming key decision and is published to the Council website every week, usually on a Monday.

What is a Key Decision?

The Lambeth Council Constitution defines a key decision as an executive decision that:

- 1) Requires an amendment to the Community Plan Outcomes Framework or requires a recommendation to Full Council to amend the Budget and Policy Framework;
- 2) Results in the local authority incurring expenditure, raising income or the making of savings in excess of £500,000; or,
- 3) Has a significant impact on:
 - a) communities living or working in an area comprising two or more wards in Lambeth;
 - b) the wellbeing of the community or the quality of service provided to a significant number of people living or working in an area; or,
 - c) Communities of interest.

The majority of key decisions are taken by the Cabinet or individual Cabinet Members (the Executive). Each Key Decision will be communicated via a comprehensive report which must be published at least five clear days before the decision is taken. Published reports can be accessed through [Decisions Online](#). Cabinet reports will also be available in [Cabinet agenda packs](#), which are published five clear days before the meeting.

The Executive cannot consider key decisions that have not been included on the Forward Plan. However, the Council Constitution sets out procedures that can be used if a decision that has not been advertised on the Forward Plan must be taken immediately. Urgency procedures can only be used in exceptional circumstances. For further information on Access to Information procedure rules please see Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

What information is included on the Forward Plan?

The Forward Plan gives information about:

- key decisions that are likely to be considered in forthcoming months;
- the earliest date a key decision can be taken;
- who will make a decision;
- what consultation will be undertaken;
- whether the forthcoming report is likely to include exempt or confidential information;

- A list of background documents to be submitted to the decision maker for consideration in relation to the forthcoming decision; and,
- who you can contact for further information.

Public representations and further information

Each Forward Plan entry gives the name of the relevant officer to contact about that particular decision. Where possible, a contact name, e-mail address and telephone number are provided.

Members of the public can make representations about forthcoming decisions by:

- Contacting the Lead Officer responsible for the report;
- Contacting the decision maker or relevant Cabinet Member (details can be found on the [council website](#)); and,
- Contacting Democratic Services.

Any document listed in the Forward Plan can be requested via the Lead Officer or by contacting Democratic Services. The reader is encouraged to access any such documents electronically, however copies or extracts may be made available at the following address on request: Lambeth Town Hall, Brixton Hill, SW2 1RW.

When making representations, members of the public may submit to the decision maker any further documents relevant to the decision.

All decision dates given in the Forward Plan are subject to change. Therefore, please ensure that you always consult the latest version of the Forward Plan for the most up to date information. Any further queries can be directed to Democratic Services.

Notice of decisions likely to contain confidential or exempt information

Local authorities are required to specify 28 days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information. Should this be the case, a private 'Part 2' report will be produced to accompany the main report but will not be published. The public and press may also be asked to leave the Cabinet meeting for part of the proceedings. Any person is able to make representations if they believe the decision should instead be made in the open part of the meeting.

If you wish to make any such representation please contact Democratic Services. All representations will be documented in the relevant agenda a minimum of five clear days before the Cabinet meeting takes place. This will also include any response to the representations and a statement of the reasons why the meeting is to be held in private.

For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

Decision: 49 Brixton Station Road/6 Canterbury Crescent - Development Objectives and Delivery Partner Procurement exercise

The council is seeking to support Brixton town centre's future development and economic and community resilience through the redevelopment of two council-owned sites. The core development principles which will guide the redevelopment of the sites - including the delivery of 50% affordable housing and 20% affordable workspace – as well as the council's requirements around ensuring the delivery of significant workspace, employment, community engagement and equalities and diversity benefits are set out in this decision paper for approval.

The council is also seeking delegated authority to launch a competitive, OJEU compliant procurement exercise to secure a development partner to deliver the desired regeneration outcomes in line with the core development principles.

Decision: Housing Repair and Maintenance Contracts 2021

Further to the Council's commitment to radically redesign its repair and maintenance services in pursuit of better quality, socially responsible and digitally-driven services, a decision to approve the award of 10 new housing repair and maintenance contracts and 2 reserve contracts is being proposed. Each proposed contract will have a term of 6 years plus two discretionary options for the council to extend for a further 4 years (6+4+4).

Lot Area Service Estimated Annual Value (£)

1. North Responsive Repairs and Voids 10, 178,572
2. South Responsive Repairs and Voids 10, 178,572
3. North Communal Gas & Water Systems 2,500,000
4. South Communal Gas & Water Systems 2,500,000
5. North Domestic Gas Works 3,750,000
6. South Domestic Gas Works 3,750,000
7. North Electrical Works 1,535,715
8. South Electrical Works 1,535,715
9. North Lift Maintenance 642,858
10. South Lift Maintenance 642,858
- 1R. North Reserve contract for Lot 1. 10, 178,572*
- 2R. South Reserve contract for Lot 2. 10, 178,572*

*Expenditure only incurred in the event the Council exercises its discretionary right to invoke the services of the reserve contractor.

All of the proposed contract awards are the result of an OJEU-compliant public procurement process and each represents the most economically advantageous tender received and evaluated by the Council for that Lot - against an agreed quality and cost ratio (60% quality; 40% cost).

Decision: ICT Laptop and Desktop Refresh 2020	
<p>This decision is about the proposed additional spend of £1m on an existing procurement contract to procure Laptops and associated products and services. There is a huge demand in the world for laptops as organisations prepare for staff working from home due to COVID 19. This exposes the council to multiple risks of availability and pricing in the supply chain. This is being proposed as current COVID 19 situation is not ideal for getting good value through a new procurement due to economic and supply chain uncertainty.</p>

Decision: Proposal regarding the site at the former Clapham Old Library

Following the acquisition of the property at 60 Orlando Road, the Council is proposing to work with Ipsus Developments and Omnibus Theatre to bring forward plans for a small scale redevelopment of the rear of the site, with the aim of creating a new asset, subject to further discussions with the planning department and formal consent, which will provide a sustainable revenue stream to the parties. The form of this joint venture is being discussed and it is anticipated that any works contracts will be under the OJEU threshold.

The Council wishes to engage with the above parties who will bring the local and commercial expertise to the venture. Ipsus Developments brought the opportunity to the Council and in recognition of their input to the process, it is proposed that the Council continues to utilise their significant local development expertise.

The Council also wishes to continue to work collaboratively with Omnibus to ensure the future of the building as a leading performance arts venue.

Decision: Extension of FMS contract – for Lambeth’s cremators

The decision is to approve a 12-month extension of the existing contract with FMS for the supply and maintenance of our two cremators at Lambeth and West Norwood crematoria, from 1 July 2020 to 30 June 2021. This is needed because of changes to the procurement process for securing new cremators, which has delayed the overall process.

<p>Decision: Adult Learning Approved Provider List</p> <p>Lambeth Adult Learning engages and supports some of the borough's most disadvantaged residents in lifelong learning and supports social and economic inclusion. The service commissions a range of training providers to deliver specialist adult and community learning services. The service is funded through an annual grant of approximately £2.3m from the Greater London Authority.</p> <p>Lambeth Adult Learning is establishing a new Approved Provider List (APL) to:</p> <ul style="list-style-type: none"> • enable a wider pool of potential suppliers to Adult Learning • enable flexibility to appoint further supplier in future years without establishing a new Framework or APL • enable call off against contracts to take place in appropriate time before the commencement of the 2021-2022 academic year. <p>In addition, the establishment of an APL will enable the service to work with providers for additional projects outside of the mainstream Adult Education Budget provision.</p> <p>The APL will involve a two-stage tender process with successful providers appointed via call off contracts at the second stage.</p> <p>It is recommended that five year APL (2021-2026) is introduced with successful suppliers, with an option to extend this by a further two years (2026-2028), subject to performance.</p> <p>Ward(s) affected: All Wards</p>
