Notice of forthcoming Key Decisions

Local authorities are required by law to give 28 days' notice of any key decisions to be made. The Forward Plan sets out information about the key decisions that Cabinet, individual Cabinet Members, the Health and Wellbeing Board and the Better Places Joint Committee intend to make in forthcoming months. It ensures public notice of all key decisions is provided at least 28 days' in advance of the decision date.

The Forward Plan contains information about each forthcoming key decision and is published to the Council website every week, usually on a Monday.

What is a Key Decision?

The Lambeth Council Constitution defines a key decision as an executive decision that:

- 1) Requires an amendment to the Community Plan Outcomes Framework or requires a recommendation to Full Council to amend the Budget and Policy Framework;
- 2) Results in the local authority incurring expenditure, raising income or the making of savings in excess of £500,000; or,
- 3) Has a significant impact on:
 - a) communities living or working in an area comprising two or more wards in Lambeth;
 - b) the wellbeing of the community or the quality of service provided to a significant number of people living or working in an area; or,
 - c) Communities of interest.

The majority of key decisions are taken by the Cabinet or individual Cabinet Members (the Executive). Each Key Decision will be communicated via a comprehensive report which must be published at least five clear days before the decision is taken. Published reports can be accessed through [Decisions Online](#). Cabinet reports will also be available in [Cabinet agenda packs](#), which are published five clear days before the meeting.

The Executive cannot consider key decisions that have not been included on the Forward Plan. However, the Council Constitution sets out procedures that can be used if a decision that has not been advertised on the Forward Plan must be taken immediately. Urgency procedures can only be used in exceptional circumstances. For further information on Access to Information procedure rules please see Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

What information is included on the Forward Plan?

The Forward Plan gives information about:

- key decisions that are likely to be considered in forthcoming months;
- the earliest date a key decision can be taken;
- who will make a decision;
- what consultation will be undertaken;
- whether the forthcoming report is likely to include exempt or confidential information;

- A list of background documents to be submitted to the decision maker for consideration in relation to the forthcoming decision; and,
- who you can contact for further information.

Public representations and further information

Each Forward Plan entry gives the name of the relevant officer to contact about that particular decision. Where possible, a contact name, e-mail address and telephone number are provided.

Members of the public can make representations about forthcoming decisions by:

- Contacting the Lead Officer responsible for the report;
- Contacting the decision maker or relevant Cabinet Member (details can be found on the [council website](#)); and,
- Contacting Democratic Services.

Any document listed in the Forward Plan can be requested via the Lead Officer or by contacting Democratic Services. The reader is encouraged to access any such documents electronically, however copies or extracts may be made available at the following address on request: Lambeth Town Hall, Brixton Hill, SW2 1RW.

When making representations, members of the public may submit to the decision maker any further documents relevant to the decision.

All decision dates given in the Forward Plan are subject to change. Therefore, please ensure that you always consult the latest version of the Forward Plan for the most up to date information. Any further queries can be directed to Democratic Services.

Notice of decisions likely to contain confidential or exempt information

Local authorities are required to specify 28 days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information. Should this be the case, a private 'Part 2' report will be produced to accompany the main report but will not be published. The public and press may also be asked to leave the Cabinet meeting for part of the proceedings. Any person is able to make representations if they believe the decision should instead be made in the open part of the meeting.

If you wish to make any such representation please contact Democratic Services. All representations will be documented in the relevant agenda a minimum of five clear days before the Cabinet meeting takes place. This will also include any response to the representations and a statement of the reasons why the meeting is to be held in private.

For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

Contents	
Regulation 18 draft Site Allocations Development Plan Document	5
Developer Contributions & Neighbourhood CIL Delivery Framework	6

<p>Background documents:</p>	
<p>For further information about this key decision, please contact: Preeti Chatwal Kauffman, Senior Capital Project Manager PChatwalkauffman@lambeth.gov.uk</p>	
<p>Decision: Vehicle Leasing for the Direct Labour Organisation</p> <p>Agree to the procurement of the vehicle leasing of 35 vehicles via the councils existing Fleet Management Framework for the necessary hybrid/electric vehicles</p> <p>DLO staff will require vehicles to move around the borough to transport materials and tools to carry out their repairing or inspecting duties. The vehicles will be consistent with the Council's commitment to being Zero Carbon by 2030. All vehicles leased from the leasing company will be Cat 6 compliant(EU Standard) the hybrid vehicles will emit less than 75g/km CO2, or will be ultra-low emission. This is ensuring the DLO only leases vehicle which are meeting the Lambeth carbon reduction standard.</p> <p>Ward(s) affected: All Wards</p>	
<p>Exempt or confidential information:</p>	<p>Consultation details:</p>

<p>Decision to be taken by: Cabinet Member for Housing and Homelessness</p>	<p>Decision date: Not before 1 Sep 2020</p>
<p>Background documents:</p>	
<p>For further information about this key decision, please contact: Andrew Jacques, Head of Contract Scrutiny and Cost Management AJacques@lambeth.gov.uk</p>	
<p>Decision: Direct Labour Organisation (DLO) - Procurement of Materials Supplier</p> <p>Decision to allow the DLO to call-off from the Procurement for Housing Framework by Direct Award, an established builders merchant (Travis Perkins) for the supply and management of materials for the DLO.</p> <p>A new scheduling system, which is being implemented separate to this procurement will enable the DLO to provide levels of service that our customers demand and expect. We can deliver 'right first time' fixes leading to a more streamlined operation. Materials usage will be tracked and delivery will be directly to the operatives van, or other agreed location this also eliminates the need for a depot and or a large storage space.</p> <p>Ward(s) affected: All Wards</p>

Decision to be taken by: Cabinet Member for Housing and Homelessness	Decision date: Not before 5 May 2021
Background documents:	
<p>For further information about this key decision, please contact: Paul Ingram, Capital Works Manager PIngram1@lambeth.gov.uk</p>	
<p>Decision: Thames Water Adjustments</p> <p>Lambeth Council, like many other local authorities, had agreements with Thames Water to collect water charges. In 2016, Southwark Council was challenged around the legality of the charges, and it was found that they were in breach of the Water Resale Orders 2001 & 2006.</p> <p>The opinion of counsel is that further pursuing the test case at the supreme court would not result in success. A local authority that seeks to litigate the matter themselves would be unlikely to avoid this case's consequences and the previous Jones v Southwark case.</p> <p>Ward(s) affected: All Wards</p>

Decision: Capital Studio, Infrastructure and Capital Delivery Salaries CIL

The Capital Studio is the delivery arm of the Resident Services area, covering design and construction of public realm and built environment projects. The service delivers large programmes such as the Highways Investment Programme and major public realm and green space schemes, such as in parks and cemeteries. The service is primarily funded through third party grants, such as through Transport for London, and from within allocated project budgets.

The report seeks an allocation of £1,076m from the Lambeth Community Infrastructure Levy (CIL) receipts to fund costs associated with staff costs for the Resident Services Capital Programme delivered via the Capital Studio (Infrastructure and Capital Delivery).

This report seeks funding to cover establishment salaries which can't be covered by project budgets. The identified source of funding for this infrastructure is CIL, with other sources of external and internal funding already having been secured to fund Capital Studio staff.

Decision: Capital Funding for field drainage and renovation of Stockport Road Playing fields, Woodmansterne School

The Council is the asset owner of the Stockport Road playing fields. As part of the of the planning permission for Woodmansterne School development, the Council and Woodmansterne School agrees to provision of community access to the Sports Facilities and playing fields making them available for Community Use in accordance with the hours noted in the Community Use Management Plan.

The School will manage and operate the Facility and playing fields on behalf of the Council. The playing fields have historic drainage issues and this Cabinet Member delegated decision report (CMDRR) is being written to arrange the necessary funds and procure the suppliers to improve the field drainage and renovation of the Playing fields.

Decision: Proposal regarding the site at the former Clapham Old Library

Following the acquisition of the property at 60 Orlando Road, the Council is proposing to work with Ipsus Developments and Omnibus Theatre to bring forward plans for a small scale redevelopment of the rear of the site, with the aim of creating a new asset, subject to further discussions with the planning department and formal consent, which will provide a sustainable revenue stream to the parties. The form of this joint venture is being discussed and it is anticipated that any works contracts will be under the OJEU threshold.

The Council wishes to engage with the above parties who will bring the local and commercial expertise to the venture. Ipsus Developments brought the opportunity to the Council and in recognition of their input to the process, it is proposed that the Council continues to utilise their significant local development expertise.

The Council also wishes to continue to work collaboratively with Omnibus to ensure the future of the building as a leading performance arts venue.

<p>Decision: Expenditure Arising from London Eye Section 106 Receipts</p> <p>Under the terms of a section 106 planning agreement, since 2003 the South Bank Employers' Group (SBEG) has provided specified operational and community initiatives in the South Bank area on behalf of the Council. These are financed by payments that the Council receives annually from the operator of the Lastminute.com London Eye. The Council makes payment to SBEG in arrears on the basis of goods provided and services rendered according to an agreed programme of work. The forecast expenditure in 2020/21 is £950,000 with the first quarterly payment being due for payment on 1 July 2020.</p> <p>Ward(s) affected: Bishop's</p>

<p>Decision: Extension of FMS contract – for Lambeth’s cremators</p> <p>The decision is to approve a 12-month extension of the existing contract with FMS for the supply and maintenance of our two cremators at Lambeth and West Norwood crematoria, from 1 July 2020 to 30 June 2021. This is needed because of changes to the procurement process for securing new cremators, which has delayed the overall process.</p> <p>Ward(s) affected: All Wards</p>

<p>Decision: Lambeth Country Show 2021 - 2024 – Procurement – Various Lots</p> <p>We are seeking to implement multiple three year fixed price contract agreements as part of the tender with an agreement for an extension for a further year for each contract. The annual value of the combined contracts is £338,938. As this report seeks to implement a three year fixed contract, the total value of the contract is £1,016,814. The agreement for an extension for a further one year brings the total maximum combined contracts value to an estimated £1,355,753.</p> <p>Ward(s) affected: All Wards</p>

Decision: Library Stock Contract for the Purchase of Books and DVDs

Lambeth Libraries and Archives to continue as a member of the Central Buying Consortium (CBC) for the purpose of buying physical stock for Lambeth Libraries. CBC carry out the tendering process on behalf of all its members complying with both UK and EU procurement law. Lambeth Libraries and Archives request permission to continue to purchase stock using the suppliers appointed through the CBC tender process. This provides the most cost-effective means of stock acquisition.

Decision: BT Redcare Secure CCTV Cable Services The current contract arrangements are that we buy this service in directly from BT Redcare. This is due to the Council not having their own fibre network that replicates the current service provided and would attract large investment. Secondly, BT Redcare has exclusive rights to the current cable network; therefore, this monopoly position would mean that any other carrier would need to seek access to the network from BT Redcare and attract additional costs. The current arrangement with BT arose as part of the Council's requirement to build secure and safe neighbourhoods that has always been part of the Council's corporate objectives. Where there is low crime, this will go some way to attracting new residents and additional investment that is also a key feature of our corporate objectives. The current business model remains relevant and provides the opportunity for the Council to take advantage of IP lines that can deliver high definition images, additional camera options and the addition of various types of infrastructure (free Wi-Fi, traffic and pollution monitoring stations ,etc).	

The total cost of implementing this contract will be £512,465 over a 5-year period, which will be funded for revenue budget currently held in the service area.
