## Notice of forthcoming Key Decisions

Local authorities are required by law to give 28 days' notice of any key decisions to be made. The Forward Plan sets out information about the key decisions that Cabinet, individual Cabinet Members, the Health and Wellbeing Board and the Better Places Joint Committee intend to make in forthcoming months. It ensures public notice of all key decisions is provided at least 28 days' in advance of the decision date.

The Forward Plan contains information about each forthcoming key decision and is published to the Council website every week, usually on a Monday.

## What is a Key Decision?

The Lambeth Council Constitution defines a key decision as an executive decision that:

- 1) Requires an amendment to the Community Plan Outcomes Framework or requires a recommendation to Full Council to amend the Budget and Policy Framework;
- 2) Results in the local authority incurring expenditure, raising income or the making of savings in excess of £500,000; or,
- 3) Has a significant impact on:
  - a) communities living or working in an area comprising two or more wards in Lambeth;
  - b) the wellbeing of the community or the quality of service provided to a significant number of people living or working in an area; or,
  - c) Communities of interest.

The majority of key decisions are taken by the Cabinet or individual Cabinet Members (the Executive). Each Key Decision will be communicated via a comprehensive report which must be published at least five clear days before the decision is taken. Published reports can be accessed through [Decisions Online](#). Cabinet reports will also be available in [Cabinet agenda packs](#), which are published five clear days before the meeting.

The Executive cannot consider key decisions that have not been included on the Forward Plan. However, the Council Constitution sets out procedures that can be used if a decision that has not been advertised on the Forward Plan must be taken immediately. Urgency procedures can only be used in exceptional circumstances. For further information on Access to Information procedure rules please see Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

## What information is included on the Forward Plan?

The Forward Plan gives information about:

- key decisions that are likely to be considered in forthcoming months;
- the earliest date a key decision can be taken;
- who will make a decision;
- what consultation will be undertaken;
- whether the forthcoming report is likely to include exempt or confidential information;

- A list of background documents to be submitted to the decision maker for consideration in relation to the forthcoming decision; and,
- who you can contact for further information.

## **Public representations and further information**

Each Forward Plan entry gives the name of the relevant officer to contact about that particular decision. Where possible, a contact name, e-mail address and telephone number are provided.

Members of the public can make representations about forthcoming decisions by:

- Contacting the Lead Officer responsible for the report;
- Contacting the decision maker or relevant Cabinet Member (details can be found on the [council website](#)); and,
- Contacting Democratic Services.

Any document listed in the Forward Plan can be requested via the Lead Officer or by contacting Democratic Services. The reader is encouraged to access any such documents electronically, however copies or extracts may be made available at the following address on request: Lambeth Town Hall, Brixton Hill, SW2 1RW.

When making representations, members of the public may submit to the decision maker any further documents relevant to the decision.

All decision dates given in the Forward Plan are subject to change. Therefore, please ensure that you always consult the latest version of the Forward Plan for the most up to date information. Any further queries can be directed to Democratic Services.

## **Notice of decisions likely to contain confidential or exempt information**

Local authorities are required to specify 28 days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information. Should this be the case, a private 'Part 2' report will be produced to accompany the main report but will not be published. The public and press may also be asked to leave the Cabinet meeting for part of the proceedings. Any person is able to make representations if they believe the decision should instead be made in the open part of the meeting.

If you wish to make any such representation please contact Democratic Services. All representations will be documented in the relevant agenda a minimum of five clear days before the Cabinet meeting takes place. This will also include any response to the representations and a statement of the reasons why the meeting is to be held in private.

For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

**Decision:** Regulation 18 draft Site Allocations Development Plan Document

To agree to commence consultation on the Regulation 18 draft of the Site Allocations DPD which will eventually, on adoption, form part of the statutory Development Plan for the borough.

**Ward(s) affected:** All Wards

**Exempt or confidential information:**

**Consultation details:**

**Decision to be taken by:**

Cabinet

**Decision date:**

Not before 23 Dec 2020

**Background documents:**

Regulation 18 draft Site Allocations Development Plan Document

**For further information about this key decision, please contact:**

Catherine Carpenter, Planning Strategy and Policy Manager

ccarpenter@lambeth.gov.uk

1st Floor, Phoenix House, 10 Wandsworth Road

Tel: 020 7926 1251

**Decision:** SEND and Inclusion Strategy

The SEND and Inclusion strategy informs how Lambeth Council will further develop the SEND and Inclusion offer in Lambeth over the next 3 years (2021 to 2024). This builds on the many strengths in the local area and updates the strategy following the successful Ofsted/ CQC inspection in January 2020.

The strategy has been co-produced over a period of three years with input from young people, parents, carers, service users, stakeholders and service providers across Education, Health and Social Care.

<p><b>Decision:</b> External Works Programme and Replacement of External Wall Insulation Cladding Systems Procurement – Capital Works</p> <p>To approve the upcoming capital works programme which will include external works and replacement of external wall insulation cladding systems intended to be delivered within 2021/22 financial year. The</p>	

proposed method of obtaining mini tenders is primarily via Construction Line, whilst utilising the route of Gold Membership of suppliers. Competition to obtain value for money will be a consistent thread.

The works will include but not limited to the following:

- external fabric repairs
- communal electrics
- lift renewal
- door entry installation
- heating & hot water upgrade
- communal electric upgrade
- cold water tank renewal
- boiler room upgrades
- new fire doors to tenanted properties
- sprinklers to sheltered blocks
- Kitchen & Bathroom Installations plus associated electrical re-wires
- Residential and communal fire doors replacements

The works will be funded from the £35m Lambeth Housing Standard budget.

<p><b>Decision:</b> Block Cleaning and Concierge Contract 2021</p> <p>Resident Services has radically redesigned its repair and maintenance services which, amongst Block Cleaning and Concierge other things, will see the current estate cleaning service split in two:</p> <p>a) External estate-based cleaning will be subsumed into Environment's new Waste Collection and Street Cleansing contract commencing 1 October 2021.</p> <p>b) Block-based cleaning and concierge (including hostels) will be delivered under a borough-wide long-term contract - again commencing 1 October 2021. This report considers the procurement routes for procuring this contract</p> <p>To approve an OJEU-compliant restricted procurement of a borough-wide block cleaning and concierge contract for 6 years with two allowable extensions of 4 years (6 + 4 + 4): - 01 October 2021 to 30 September 2027 (extendable to 2035) - to achieve service continuity after expiry of the interim contract. This aligns with the date that the external cleaning elements are being subsumed into the new Waste Collection and Street Cleansing Contract (which also have a term of 6 + 4 + 4).</p> <p>The estimated contract cost is £6,317,500 per year based on current contract costs.</p> <p>The purpose of the procurement is to secure a borough wide block cleaning and concierge contract to</p>	

<p>maintain service continuity; and which will run alongside the Waste and Street Cleaning contract commencing 1 October 2021.</p> <p><b>Ward(s) affected:</b> All Wards</p>

**Decision:** Total Asset Solution – Asset Delivery Partners

To approve the strategic direction to procure 2 x Asset Delivery Partners (North and South) that will manage and administer major works and statutory compliance work programmes; and broaden the client technical skills base.

Two technical delivery partnerships (North and South – 3-year duration) with two principal functions:

- a) Specify and manage major work projects (planned and procured by the strategic asset partner – using the DPS).
- b) Empower and train the client team to self-manage major work projects (removing the continuous reliance on third-party consultants).

<b>Decision:</b> Workwise Project – St Mungo’s – Extension  The St Mungo’s Workwise service provides employment and training services. The service is primarily targeted at those in rented housing (Council tenants, private sector tenants and homeless in temporary accommodation) who are in receipt of benefits and adversely affected by welfare reforms. Welfare reforms including the Size Criteria, Benefit Cap and Universal Credit. The proposed report is requesting for the service to be extended from 1st of May 2021 to 29th of April 2022. The service has been very successful in supporting Lambeth residents into sustained employment and training opportunities and has been instrumental in assisting Lambeth residents who have been furloughed or lost their jobs due to the Covid-19 pandemic. The cumulative value of the contracts from February 2015 to April 2021 is £560,295.89. A further extension for the 2021/22 financial year will increase that value by a further £100,000.  <b>Ward(s) affected:</b> All Wards

<p><b>Decision:</b> Capital Studio, Infrastructure and Capital Delivery Salaries CIL</p> <p>The Capital Studio is the delivery arm of the Resident Services area, covering design and construction of public realm and built environment projects. The service delivers large programmes such as the Highways Investment Programme and major public realm and green space schemes, such as in parks and cemeteries. The service is primarily funded through third party grants, such as through Transport for London, and from within allocated project budgets.</p> <p>The report seeks an allocation of £1,076m from the Lambeth Community Infrastructure Levy (CIL) receipts to fund costs associated with staff costs for the Resident Services Capital Programme delivered via the Capital Studio (Infrastructure and Capital Delivery).</p> <p>This report seeks funding to cover establishment salaries which can't be covered by project budgets. The identified source of funding for this infrastructure is CIL, with other sources of external and internal funding already having been secured to fund Capital Studio staff.</p> <p><b>Ward(s) affected:</b> All Wards</p>

<p><b>Decision:</b> Parking Fees and Charges Inflationary uplift 2021/22</p> <p>This report details the increase to the parking permit and on-street parking charges. The Mayor of London's Transport Strategy as provided by sections 142 and 144(1)(a) Greater London Authority Act 1999, emphasises the importance of reducing emissions and improving air quality.</p> <p>Where possible Lambeth encourages a move away from vehicle use and ownership and promotes the use of public transport, cycling and walking as sustainable and greener alternatives. Increasing</p>	

<p>charges would contribute to achieving this so it is essential that through our permit and on-street parking pricing that vehicle ownership is not seen as more economical than using sustainable methods of transport. This report recommends advertising a notice and undertaking a consultation to increase these charges.</p> <p><b>Ward(s) affected:</b> All Wards</p>

<p><b>Decision:</b> Supervised Contact Service</p>	

Supervised Contact is a statutory service provided by the local authorities where the child/young person has been accommodated by the local authority and a need has been identified for the child/young person to have contact with their birth parents and other relatives. These are usually under orders as specified by the court (under section 8 of the Children’s Act 1989).

The supervised contact service that will offer a menu of services on a part block, part spot contract basis. The contract will consist of - a block contract for Supervised Contact Service, this is the total service of contact supervisors and venue combined,

This pro-forma seeks member approval to add the procurement and retender of a new Supervised Contact service to the Forward Plan for a four year term (2+1+1), which will be a two year contract with an option to extend for a further two years on a one plus one basis, effective from 01 April 2020.

<b>Decision:</b> Proposal regarding the site at the former Clapham Old Library  Following the acquisition of the property at 60 Orlando Road, the Council is proposing to work with Ipsus Developments and Omnibus Theatre to bring forward plans for a small scale redevelopment of the rear of the site, with the aim of creating a new asset, subject to further discussions with the planning department and formal consent, which will provide a sustainable revenue stream to the parties. The form of this joint venture is being discussed and it is anticipated that any works contracts will be under the OJEU threshold.  The Council wishes to engage with the above parties who will bring the local and commercial expertise to the venture. Ipsus Developments brought the opportunity to the Council and in recognition of their input to the process, it is proposed that the Council continues to utilise their significant local development expertise.  The Council also wishes to continue to work collaboratively with Omnibus to ensure the future of the	

building as a leading performance arts venue.

**Decision:** Expenditure Arising from London Eye Section 106 Receipts

Under the terms of a section 106 planning agreement, since 2003 the South Bank Employers' Group (SBEG) has provided specified operational and community initiatives in the South Bank area on behalf of the Council. These are financed by payments that the Council receives annually from the operator of the Lastminute.com London Eye. The Council makes payment to SBEG in arrears on the basis of goods provided and services rendered according to an agreed programme of work. The forecast expenditure in 2020/21 is £950,000 with the first quarterly payment being due for payment on 1 July 2020.

**Decision:** Extension of FMS contract – for Lambeth's cremators

The decision is to approve a 12-month extension of the existing contract with FMS for the supply and maintenance of our two cremators at Lambeth and West Norwood crematoria, from 1 July 2020 to 30 June 2021. This is needed because of changes to the procurement process for securing new cremators, which has delayed the overall process.

<b>Decision:</b> Brockwell Hall Restoration NLHF Project: procurement and award of works for the Ground maintenance Depot Building  To approve the procurement and award of works for building a new grounds maintenance depot.  The National Lottery Heritage Fund has recently awarded Lambeth a grant towards a project to restore the Grade II* Brockwell Hall, stable block and yard, opening it up to greater public access and introducing revenue generating uses. As one of the approved purposes, new grounds maintenance depot is planned to be built in an area used for green waste in the south-east corner of Brockwell Park (near Norwood Lodge) and relocate Lambeth Parks Maintenance facilities currently in the stable yard, significantly reducing vehicle movements by the Hall and within the park.  <b>Ward(s) affected:</b> Herne Hill
