Notice of forthcoming Key Decisions

Local authorities are required by law to give 28 days' notice of any key decisions to be made. The Forward Plan sets out information about the key decisions that Cabinet, individual Cabinet Members, the Health and Wellbeing Board and the Better Places Joint Committee intend to make in forthcoming months. It ensures public notice of all key decisions is provided at least 28 days' in advance of the decision date.

The Forward Plan contains information about each forthcoming key decision and is published to the Council website every week, usually on a Monday.

What is a Key Decision?

The Lambeth Council Constitution defines a key decision as an executive decision that:

- 1) Requires an amendment to the Community Plan Outcomes Framework or requires a recommendation to Full Council to amend the Budget and Policy Framework;
- 2) Results in the local authority incurring expenditure, raising income or the making of savings in excess of £500,000; or,
- 3) Has a significant impact on:
 - a) communities living or working in an area comprising two or more wards in Lambeth;
 - b) the wellbeing of the community or the quality of service provided to a significant number of people living or working in an area; or,
 - c) Communities of interest.

The majority of key decisions are taken by the Cabinet or individual Cabinet Members (the Executive). Each Key Decision will be communicated via a comprehensive report which must be published at least five clear days before the decision is taken. Published reports can be accessed through [Decisions Online](#). Cabinet reports will also be available in [Cabinet agenda packs](#), which are published five clear days before the meeting.

The Executive cannot consider key decisions that have not been included on the Forward Plan. However, the Council Constitution sets out procedures that can be used if a decision that has not been advertised on the Forward Plan must be taken immediately. Urgency procedures can only be used in exceptional circumstances. For further information on Access to Information procedure rules please see Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

What information is included on the Forward Plan?

The Forward Plan gives information about:

- key decisions that are likely to be considered in forthcoming months;
- the earliest date a key decision can be taken;
- who will make a decision;
- what consultation will be undertaken;
- whether the forthcoming report is likely to include exempt or confidential information;

- A list of background documents to be submitted to the decision maker for consideration in relation to the forthcoming decision; and,
- who you can contact for further information.

Public representations and further information

Each Forward Plan entry gives the name of the relevant officer to contact about that particular decision. Where possible, a contact name, e-mail address and telephone number are provided.

Members of the public can make representations about forthcoming decisions by:

- Contacting the Lead Officer responsible for the report;
- Contacting the decision maker or relevant Cabinet Member (details can be found on the [council website](#)); and,
- Contacting Democratic Services.

Any document listed in the Forward Plan can be requested via the Lead Officer or by contacting Democratic Services. The reader is encouraged to access any such documents electronically, however copies or extracts may be made available at the following address on request: Lambeth Town Hall, Brixton Hill, SW2 1RW.

When making representations, members of the public may submit to the decision maker any further documents relevant to the decision.

All decision dates given in the Forward Plan are subject to change. Therefore, please ensure that you always consult the latest version of the Forward Plan for the most up to date information. Any further queries can be directed to Democratic Services.

Notice of decisions likely to contain confidential or exempt information

Local authorities are required to specify 28 days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information. Should this be the case, a private 'Part 2' report will be produced to accompany the main report but will not be published. The public and press may also be asked to leave the Cabinet meeting for part of the proceedings. Any person is able to make representations if they believe the decision should instead be made in the open part of the meeting.

If you wish to make any such representation please contact Democratic Services. All representations will be documented in the relevant agenda a minimum of five clear days before the Cabinet meeting takes place. This will also include any response to the representations and a statement of the reasons why the meeting is to be held in private.

For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

Kickstart Scheme	77

Decision: Low Traffic Neighbourhoods Scrutiny Commission

The commission looked at the introduction of Low Traffic Neighbourhoods (LTNs) during the Covid-19 pandemic, the communication and evaluation of these interventions, and how the experience of LTNs can be used to inform future climate emergency measures.

The Cabinet report will consist of a cover report providing background, the Commission's final report (including a series of recommendations), and a departmental action plan responding to these recommendations, for which approval will be sought.

Paul Ingram, Capital Works Manager
 PIngram1@lambeth.gov.uk

Decision: External Works Programme and Replacement of External Wall Insulation Cladding Systems Procurement – Capital Works

To approve the upcoming capital works programme which will include external works and replacement of external wall insulation cladding systems intended to be delivered within 2021/22 financial year. The proposed method of obtaining mini tenders is primarily via Construction Line, whilst utilising the route of Gold Membership of suppliers. Competition to obtain value for money will be a consistent thread.

The works will include but not limited to the following:

- external fabric repairs
- communal electrics
- lift renewal
- door entry installation
- heating & hot water upgrade
- communal electric upgrade
- cold water tank renewal
- boiler room upgrades
- new fire doors to tenanted properties
- sprinklers to sheltered blocks
- Kitchen & Bathroom Installations plus associated electrical re-wires
- Residential and communal fire doors replacements

The works will be funded from the £35m Lambeth Housing Standard budget.

<p>Decision: Workwise Project – St Mungo’s – Extension</p> <p>The St Mungo’s Workwise service provides employment and training services. The service is primarily targeted at those in rented housing (Council tenants, private sector tenants and homeless in temporary accommodation) who are in receipt of benefits and adversely affected by welfare reforms. Welfare reforms including the Size Criteria, Benefit Cap and Universal Credit. The proposed report is requesting for the service to be extended from 1st of May 2021 to 29th of April 2022. The service has been very successful in supporting Lambeth residents into sustained employment and training opportunities and has been instrumental in assisting Lambeth residents who have been furloughed or lost their jobs due to the Covid-19 pandemic.</p> <p>The cumulative value of the contracts from February 2015 to April 2021 is £560,295.89. A further extension for the 2021/22 financial year will increase that value by a further £100,000.</p> <p>Ward(s) affected: All Wards</p>

<p>Decision: Provision of a Dynamic Purchasing System for Housing Planned Capital Maintenance Projects</p> <p>To approve the implementation of a dynamic purchasing system (DPS) to manage the Council's £35m planned maintenance spend for Housing.</p> <p>It is recognised that the Council needs to refresh its approach to the management of its assets and delivery of planned programmes and major works to better meet its legal and statutory obligations. Underpinned by the Council's Asset Management Strategy, a Total Asset Solution is being implemented, in pursuit of better quality, socially responsible and digitally driven services. The bespoke DPS will support a more co-ordinated and agile project purchasing process for the delivery of the Total Asset Solution and will also provide:</p> <ul style="list-style-type: none"> - a compliant procurement vehicle to manage tenders for the Council's housing planned capital maintenance project contracts, - focus on enabling a more diverse range of suppliers to compete for contract opportunities within Lambeth and encourage the participation of local suppliers, - encourage small business and those owned and operated by underrepresented groups to compete for Council contracts. <p>Ward(s) affected: All Wards</p>

<p>Decision: MacIntosh Court – Roof Replacement Covering Supplier</p> <p>To agree the approved budget of £850,000 for the replacement of the main roof serving the building.</p> <p>MacIntosh Court is Grade II 1970s built sheltered housing scheme in Streatham. The building’s brick structure, with a flat roof, was considered a highly successful modular construction experiment when designed by architect Kate MacIntosh who started work for the Council in 1969.</p> <p>Over the past 4 years, the Council has invested in the building by replacing windows and doors, the communal heating and hot water system, along with kitchen and bathroom in homes. However, the flat roof structure has had numerous issues and there has been reports of leaks from the roofs. The roof is in urgent need of a replacement covering.</p> <p>Ward(s) affected: Knight's Hill</p>

Decision: Insurance Legal Services

Insurance legal services framework is outsourced to allow the council to deal with civil claims received. The council has a legal obligation to comply with the Civil Procedure Rules (CPR) under which such claims are required to be dealt with.

The current business model is still relevant as we will continue to receive claims for compensation, we also must comply with our insurer's requirements which state we must have a panel for claims that are handled in house by our own claim handlers within our policy excess where necessary. The services of the law firms on the framework are essential. Not having recourse to such legal support is not an option and would leave the Council exposed to significant risk and increased costs. This is the case in respect of the Redress Scheme or civil litigation cases.

Decision: Property Liability and Terrorism Insurance

Lambeth is a member of the Insurance London Consortium (ILC). The members of ILC have been very successful in procuring its insurance policies to date.

Whilst the Council accepts an element of risk with regards to insurance claims and maintains an insurance fund to cover such eventualities, it also procures 'catastrophe' cover through the insurance market. This is the case for the property and liability covers.

Decision: Supervised Contact Service

Supervised Contact is a statutory service provided by the local authorities where the child/young person has been accommodated by the local authority and a need has been identified for the child/young person to have contact with their birth parents and other relatives. These are usually under orders as specified by the court (under section 8 of the Children’s Act 1989).

The supervised contact service that will offer a menu of services on a part block, part spot contract basis. The contract will consist of - a block contract for Supervised Contact Service, this is the total service of contact supervisors and venue combined,

This pro-forma seeks member approval to add the procurement and retender of a new Supervised Contact service to the Forward Plan for a four year term (2+1+1), which will be a two year contract with an option to extend for a further two years on a one plus one basis, effective from 01 April 2020.

<p>Decision: Proposal regarding the site at the former Clapham Old Library</p> <p>Following the acquisition of the property at 60 Orlando Road, the Council is proposing to work with Ipsus Developments and Omnibus Theatre to bring forward plans for a small scale redevelopment of the rear of the site, with the aim of creating a new asset, subject to further discussions with the planning department and formal consent, which will provide a sustainable revenue stream to the parties. The form of this joint venture is being discussed and it is anticipated that any works contracts will be under the OJEU threshold.</p> <p>The Council wishes to engage with the above parties who will bring the local and commercial expertise to the venture. Ipsus Developments brought the opportunity to the Council and in recognition of their</p>	

input to the process, it is proposed that the Council continues to utilise their significant local development expertise.

The Council also wishes to continue to work collaboratively with Omnibus to ensure the future of the building as a leading performance arts venue.

Decision: Brockwell Hall Restoration NLHF Project: procurement and award of works for the Ground maintenance Depot Building	

To approve the procurement and award of works for building a new grounds maintenance depot.

The National Lottery Heritage Fund has recently awarded Lambeth a grant towards a project to restore the Grade II* Brockwell Hall, stable block and yard, opening it up to greater public access and introducing revenue generating uses.

As one of the approved purposes, new grounds maintenance depot is planned to be built in an area used for green waste in the south-east corner of Brockwell Park (near Norwood Lodge) and relocate Lambeth Parks Maintenance facilities currently in the stable yard, significantly reducing vehicle movements by the Hall and within the park.
