Notice of forthcoming Key Decisions

Local authorities are required by law to give 28 days' notice of any key decisions to be made. The Forward Plan sets out information about the key decisions that Cabinet, individual Cabinet Members, the Health and Wellbeing Board and the Better Places Joint Committee intend to make in forthcoming months. It ensures public notice of all key decisions is provided at least 28 days' in advance of the decision date.

The Forward Plan contains information about each forthcoming key decision and is published to the Council website every week, usually on a Monday.

What is a Key Decision?

The Lambeth Council Constitution defines a key decision as an executive decision that:

- 1) Requires an amendment to the Community Plan Outcomes Framework or requires a recommendation to Full Council to amend the Budget and Policy Framework;
- 2) Results in the local authority incurring expenditure, raising income or the making of savings in excess of £500,000; or,
- 3) Has a significant impact on:
 - a) communities living or working in an area comprising two or more wards in Lambeth;
 - b) the wellbeing of the community or the quality of service provided to a significant number of people living or working in an area; or,
 - c) Communities of interest.

The majority of key decisions are taken by the Cabinet or individual Cabinet Members (the Executive). Each Key Decision will be communicated via a comprehensive report which must be published at least five clear days before the decision is taken. Published reports can be accessed through [Decisions Online](#). Cabinet reports will also be available in [Cabinet agenda packs](#), which are published five clear days before the meeting.

The Executive cannot consider key decisions that have not been included on the Forward Plan. However, the Council Constitution sets out procedures that can be used if a decision that has not been advertised on the Forward Plan must be taken immediately. Urgency procedures can only be used in exceptional circumstances. For further information on Access to Information procedure rules please see Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

What information is included on the Forward Plan?

The Forward Plan gives information about:

- key decisions that are likely to be considered in forthcoming months;
- the earliest date a key decision can be taken;
- who will make a decision;
- what consultation will be undertaken;
- whether the forthcoming report is likely to include exempt or confidential information;

- A list of background documents to be submitted to the decision maker for consideration in relation to the forthcoming decision; and,
- who you can contact for further information.

Public representations and further information

Each Forward Plan entry gives the name of the relevant officer to contact about that particular decision. Where possible, a contact name, e-mail address and telephone number are provided.

Members of the public can make representations about forthcoming decisions by:

- Contacting the Lead Officer responsible for the report;
- Contacting the decision maker or relevant Cabinet Member (details can be found on the [council website](#)); and,
- Contacting Democratic Services.

Any document listed in the Forward Plan can be requested via the Lead Officer or by contacting Democratic Services. The reader is encouraged to access any such documents electronically, however copies or extracts may be made available at the following address on request: Lambeth Town Hall, Brixton Hill, SW2 1RW.

When making representations, members of the public may submit to the decision maker any further documents relevant to the decision.

All decision dates given in the Forward Plan are subject to change. Therefore, please ensure that you always consult the latest version of the Forward Plan for the most up to date information. Any further queries can be directed to Democratic Services.

Notice of decisions likely to contain confidential or exempt information

Local authorities are required to specify 28 days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information. Should this be the case, a private 'Part 2' report will be produced to accompany the main report but will not be published. The public and press may also be asked to leave the Cabinet meeting for part of the proceedings. Any person is able to make representations if they believe the decision should instead be made in the open part of the meeting.

If you wish to make any such representation please contact Democratic Services. All representations will be documented in the relevant agenda a minimum of five clear days before the Cabinet meeting takes place. This will also include any response to the representations and a statement of the reasons why the meeting is held in private.

For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

Essential Maintenance works at Carnegie Library	69
Kickstart Scheme	69
ESF Connecting Communities Employment Programme	70

Decision: Economic Resilience Strategy refresh

This decision is to formally sign off the refresh of the Economic Resilience Strategy for publication.

The new version of the strategy (one year on from the first Strategy published in August 2020) reflects the economic challenges and progress over the past year. It sets out our vision for economic recovery and resilience building as we transition from the emergency response mode into a period of longer-term economic recovery and growth. It provides a 5 pillar structure and action plans for short medium and long term actions under each pillar. This builds on the actions from the previous version of the strategy and aligns with the London recovery framework Lambeth has been involved with and influencing.

Decision: 49 Brixton Station Road/6 Canterbury Crescent - Decision to Award Contract to Preferred Delivery Partner The council is seeking to appoint a delivery partner to develop two council-owned sites in Brixton town	

centre to support its future growth and economic and community resilience. This process was agreed by Cabinet in February 2020, following which the council undertook a competitive negotiation process as part of the procurement exercise. A preferred bidder has now been identified as the most suitable development partner to deliver these two sites.

The council is seeking approval to award this contract for the development partner to deliver on the council's ambitions and objectives to support the social and economic needs of the local community.

<p>Decision: Active Lambeth Strategy 2022 – 27</p> <p>Since March 2021 the council has been involved in the development of a new Activity (Sport and Physical Activity) Strategy. The Active Lambeth Strategy sets out the Borough’s objectives for the next five years to develop sport and physical activity for its own inherent value and to contribute to key objectives in Education, Public Health, Active Transport, Serious Youth Violence. A draft for public consultation was produced in October and the consultation process came to an end on November 14th. A further draft of the Strategy has been produced informed by feedback received. The support of Cabinet is requested for this version of the strategy.</p> <p>Ward(s) affected: All Wards</p>

Decision: Total Asset Solution – Asset Delivery Partners
To approve the strategic direction to procure 2 x Asset Delivery Partners (North and South) that will manage and administer major works and statutory compliance work programmes; and broaden the client technical skills base. Two technical delivery partnerships (North and South – 3-year duration) with two principal functions:

- a) Specify and manage major work projects (planned and procured by the strategic asset partner – using the DPS).
 b) Empower and train the client team to self-manage major work projects (removing the continuous reliance on third-party consultants).

Decision: Workwise Project – St Mungo’s – Extension

The St Mungo’s Workwise service provides employment and training services. The service is primarily targeted at those in rented housing (Council tenants, private sector tenants and homeless in temporary accommodation) who are in receipt of benefits and adversely affected by welfare reforms. Welfare reforms including the Size Criteria, Benefit Cap and Universal Credit. The proposed report is requesting for the service to be extended from 1st of May 2021 to 29th of April 2022. The service has been very successful in supporting Lambeth residents into sustained employment and training opportunities and has been instrumental in assisting Lambeth residents who have been furloughed or lost their jobs due to the Covid-19 pandemic.

The cumulative value of the contracts from February 2015 to April 2021 is £560,295.89. A further extension for the 2021/22 financial year will increase that value by a further £100,000.

<p>Decision: Provision of a Dynamic Purchasing System for Housing Planned Capital Maintenance Projects</p> <p>To approve the implementation of a dynamic purchasing system (DPS) to manage the Council's £35m planned maintenance spend for Housing.</p> <p>It is recognised that the Council needs to refresh its approach to the management of its assets and delivery of planned programmes and major works to better meet its legal and statutory obligations. Underpinned by the Council's Asset Management Strategy, a Total Asset Solution is being implemented, in pursuit of better quality, socially responsible and digitally driven services. The bespoke DPS will support a more co-ordinated and agile project purchasing process for the delivery of the Total Asset Solution and will also provide:</p> <ul style="list-style-type: none"> - a compliant procurement vehicle to manage tenders for the Council's housing planned capital maintenance project contracts, - focus on enabling a more diverse range of suppliers to compete for contract opportunities within Lambeth and encourage the participation of local suppliers, - encourage small business and those owned and operated by underrepresented groups to compete for Council contracts. <p>Ward(s) affected: All Wards</p>

<p>Decision: MacIntosh Court – Roof Replacement Covering Supplier</p> <p>To agree the approved budget of £850,000 for the replacement of the main roof serving the building.</p> <p>MacIntosh Court is Grade II 1970s built sheltered housing scheme in Streatham. The building’s brick structure, with a flat roof, was considered a highly successful modular construction experiment when designed by architect Kate MacIntosh who started work for the Council in 1969.</p> <p>Over the past 4 years, the Council has invested in the building by replacing windows and doors, the communal heating and hot water system, along with kitchen and bathroom in homes. However, the flat roof structure has had numerous issues and there has been reports of leaks from the roofs. The roof is in urgent need of a replacement covering.</p> <p>Ward(s) affected: Knight's Hill</p>

Decision: Capital Studio, Infrastructure and Capital Delivery Salaries CIL

The Capital Studio is the delivery arm of the Resident Services area, covering design and construction of public realm and built environment projects. The service delivers large programmes such as the Highways Investment Programme and major public realm and green space schemes, such as in parks and cemeteries. The service is primarily funded through third party grants, such as through Transport for London, and from within allocated project budgets.

The report seeks an allocation of £1,076m from the Lambeth Community Infrastructure Levy (CIL) receipts to fund costs associated with staff costs for the Resident Services Capital Programme delivered via the Capital Studio (Infrastructure and Capital Delivery).

This report seeks funding to cover establishment salaries which can't be covered by project budgets. The identified source of funding for this infrastructure is CIL, with other sources of external and internal funding already having been secured to fund Capital Studio staff.

Decision: Insurance Legal Services Insurance legal services framework is outsourced to allow the council to deal with civil claims received. The council has a legal obligation to comply with the Civil Procedure Rules (CPR) under which such claims are required to be dealt with. The current business model is still relevant as we will continue to receive claims for compensation, we also must comply with our insurer's requirements which state we must have a panel for claims that are handled in house by our own claim handlers within our policy excess where necessary. The services of the law firms on the framework are essential. Not having recourse to such legal support is not an option and would leave the Council exposed to significant risk and increased costs. This is the case in respect of the Redress Scheme or civil litigation cases. Ward(s) affected: All Wards

To award £1.71m towards food and bill vouchers for families with children in receipt of Free School Meals.

Ward(s) affected: All Wards

Exempt or confidential information:

Consultation details:

Decision to be taken by:
 Cabinet Member for Children and Young People

Decision date:
 Not before 23 Nov 2021

Background documents:

<p>For further information about this key decision, please contact: Bethan Hope-Evans, Policy and Communications Officer BHope-evans@lambeth.gov.uk 3rd Floor, Olive Morris House Tel: 020 7926 6793</p>	
<p>Decision: School Licenced Deficits 2021/22</p> <p>Governing Boards are required to set balanced budgets each year. In circumstances where they are not able to do so, the LA may licence their deficit. There are 17 schools in 2021/22 seeking licenced deficit which are expected to be £5.5m in aggregate. Cabinet Member approval is part of a systematic approach to improve scrutiny and accountability on financial management for maintained schools.</p> <p>Ward(s) affected: All Wards</p>

<p>Decision: Omicron economic support measures</p>	

Government announced a range of new economic support for businesses impacted by the spread of the Omicron variant in December 2021, including direct grants and business rate relief. Government guidance on these new support measures was received in January 2022.

Lambeth have received a further allocation of £592,246 Additional Restrictions Grant which will be used to deliver direct cash grants to businesses through a fourth phase of the Economic Resilience Fund.

Lambeth has also received an allocation of £2,436,048 to make Omicron Hospitality and Leisure grant awards of up to £6,000 per business premises.

Lambeth have been awarded £9,304,052 under the Covid Additional Relief Fund – a discretionary business rate relief scheme for business ineligible for other Coronavirus-related business rate reliefs.

A new decision is required to authorise the process and priorities for spend across these schemes, as well as any others announced in response to Omicron, to provide much needed economic support to businesses.

<p>Decision: Expenditure Arising from London Eye Section 106 Receipts</p> <p>Under the terms of a section 106 planning agreement, since 2003 the South Bank Employers' Group (SBEG) has provided specified operational and community initiatives in the South Bank area on behalf of the Council. These are financed by payments that the Council receives annually from the operator of the Lastminute.com London Eye. The Council makes payment to SBEG in arrears on the basis of goods provided and services rendered according to an agreed programme of work. The forecast expenditure in 2020/21 is £950,000 with the first quarterly payment being due for payment on 1 July 2020.</p> <p>Ward(s) affected: Bishop's</p>

Decision: Appointment of contractor for West Norwood Cemetery National Lottery Heritage Fund (NLHF) Project Package A1 (Restoration of St. Stephens Chapel and 14 monuments)

To approve procurement and award of works for West Norwood cemetery National Heritage Lottery Project Package A1 (Restoration of St. Stephens Chapel and 14 monuments).

West Norwood Cemetery (WNC) is a significant Grade II* listed site founded in 1837, laid out in a 'pleasure ground style' to William Tite's design. The London Borough of Lambeth (LBL) has successfully secured a significant grant from the National Lottery Heritage Fund (NLHF) to deliver a wide range of proposals for the conservation of West Norwood Cemetery in Lambeth.

Decision: Brockwell Hall Restoration NLHF Project: procurement and award of works for the Ground maintenance Depot Building

To approve the procurement and award of works for building a new grounds maintenance depot.

The National Lottery Heritage Fund has recently awarded Lambeth a grant towards a project to restore the Grade II* Brockwell Hall, stable block and yard, opening it up to greater public access and introducing revenue generating uses.

As one of the approved purposes, new grounds maintenance depot is planned to be built in an area used for green waste in the south-east corner of Brockwell Park (near Norwood Lodge) and relocate Lambeth Parks Maintenance facilities currently in the stable yard, significantly reducing vehicle movements by the Hall and within the park.
