## **Introduction:**

This document sets out Key Decisions that will be taken by the Council over the coming months. Decisions are listed as soon as possible.

A Key Decision is one which is likely to

- 1) Require an amendment to the Community Plan Outcomes Framework or requires a recommendation to Council to amend the Budget and Policy Framework,
- 2) Results in the local authority incurring expenditure, raising income or making of savings in excess of £500,000,
- 3) Has a significant impact on a) communities living or working in an area comprising two or more wards in Lambeth, or b) wellbeing of the community or the quality of service provided to a significant number of people living or working in an area, or c) Communities of interest

For each key decision there will be a decision making report, which will include a list of background papers.

## **Confidential or Exempt Cabinet Reports:**

Local authorities are required to specify 28 clear days in advance of a Cabinet meeting, reports that are likely to contain confidential or exempt information and may result in the public and press being asked to leave the meeting for the consideration of that item.

The law (see link below) specifies the grounds upon which local authorities can exclude the press and public, but these tend to be on matters about a person, information that would reveal their identity, contract matters that could reveal commercially sensitive information, consultations or negotiations relating to labour relations, or information in connection with preventing and detecting crime. The full list of exempt categories is set out below. The notice of exempt information will specify the paragraph that will require the press and public to be excluded, where relevant.

The usual approach though is not to exclude the press and public but to simply agree the material concerned cannot be disclosed or discussed at the meeting.

If you wish to make representations in relation to part of the meeting being held in private send these 10 clear days before the meeting to the Head of Democratic of Services and Scrutiny by email [democracy@lambeth.gov.uk](mailto:democracy@lambeth.gov.uk) or by phone 0207 926 2170. Any such representations will be considered and responded to. The agenda for the meeting concerned will include the necessary notice five clear days before the meeting on the reasons for the meeting to be private, the representations received and the response to those representations.

- [The Local Authorities \(Executive Arrangements\) \(Meetings and Access to Information\) \(England\) Regulations 2012](#)

Exempt information means information falling within the following seven categories (subject to any condition or qualification):

Category	Condition
1. Information relating to any individual.	
2. Information which is likely to reveal the identity of an individual.	
3. Information relating to the financial or business affairs of a particular person. (Including the authority holding that information).	Information falling within paragraph 3 above is not exempt information by virtue of that paragraph if it is required to be registered under— (a) the Companies Act 1985; (b) the Friendly Societies Act 1974; (c) the Friendly Societies Act 1992; (d) the Industrial and Provident Societies Acts 1965 to 1978; (e) the Building Societies Act 1986; or, (f) the Charities Act 1993., To be exempt the information must relate to a particular third person who must be identifiable.
4. Information relating to any consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.	"Labour relations matters" are as specified in paragraphs (a) to (g) of section 29(1) of the Trade Unions and Labour Relations Act 1974, i.e. matters which may be the subject of a trade dispute.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.	
6. Information which reveals that the authority proposes - (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) to make an order or direction under any enactment.	
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.	

### Confidential information means

Information furnished to the council by a Government department upon terms, however expressed, which forbid the disclosure of the information to the public, or

Information the disclosure of which to the public is prohibited by or under any enactment or by the order or a court

The recommendation was that the buildings (the annex and the main building) must be modified to allow better integration of support services. A design team has been appointed to produce a detailed construction design. Once this is approved it is the aim to appoint a Contractor. The anticipated project budget is likely to be in the region of £1,160,000.00 (£500k for the annex and £660k for the main campus)</p> <p>Thornton</p>	<p>Cabinet Member for Children and Adult Services</p> <p>28.04.2014</p>	<p>16 Jun 2014</p>	<p>Ward Councillors These consultations are required and will be planned in the near future.</p>		<p>Sylvester Eyong, Programme Manager seyong@lambeth.gov.uk International House Tel: 020 7926 3216</p>
