NOTICE OF FORTHCOMING KEY DECISIONS

Local Authorities are required to give 28 days' notice of any key decisions to be made. The Forward Plan sets out the key decisions that the Cabinet, individual Cabinet Members, the Health and Wellbeing Board and the Better Places Joint Committee intend to take over forthcoming months and ensures that public notice of all key decisions are provided at least 28 days' prior to the decisions being taken.

A Key Decision is one which is likely to

- 1) Require an amendment to the Community Plan Outcomes Framework or requires a recommendation to Council to amend the Budget and Policy Framework,
- 2) Results in the local authority incurring expenditure, raising income or making of savings in excess of £500,000,
- 3) Has a significant impact community impact.

PUBLIC REPRESENTATIONS relating to forthcoming decisions may be made by:

- Contacting the Lead Officer in relation to Cabinet Decisions, or Democratic Services if the representation is to be submitted less than five clear days before the meeting;
- Contacting the relevant Cabinet Member – contact details can be found on the Cabinet page of the Council website;
- Contacting the relevant Cabinet member in the case of decisions taken under delegated authority – contact details can be found on the Cabinet page of the Council website.

NOTICE OF DECISIONS LIKELY TO BE CONSIDERED IN A CLOSED MEETING

Local authorities are required to specify 28 clear days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information and therefore may result in the public and press being asked to leave the meeting for the consideration of those items. Any person is able to make representations if he or she believes the decision should instead be made in the open Executive meeting.

If you want to make such a representation please contact the Head of Democratic of Services and Scrutiny by email democracy@lambeth.gov.uk or by phone 0207 926 2170. You will then be sent a response to your representations. Following this, all representations will be documented in the published agenda a minimum of five clear days before the Executive meeting takes place. This will also include a response to any representations and a statement of the reasons why the meeting is held in private. For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact democratic services.
