Notice of forthcoming Key Decisions

Local authorities are required by law to give 28 days' notice of any key decisions to be made. The Forward Plan sets out information about the key decisions that Cabinet, individual Cabinet Members, Health and Wellbeing Board and the Better Places Joint Committee intend to make in forthcoming months. It ensures public notice of all key decisions is provided at least 28 days' in advance of the decision date.

The Forward Plan contains information about each forthcoming key decision and is published to the Council website every week, usually on a Friday.

What is a Key Decision?

The Lambeth Council Constitution defines a key decision as an executive decision that:

- 1) Requires an amendment to the Community Plan Outcomes Framework or requires a recommendation to Full Council to amend the Budget and Policy Framework.
- 2) Results in the local authority incurring expenditure, raising income or the making of savings in excess of £500,000.
- 3) Has a significant impact on:
 - a) communities living or working in an area comprising two or more wards in Lambeth;
 - b) the wellbeing of the community or the quality of service provided to a significant number of people living or working in an area; or,
 - c) Communities of interest.

The majority of key decisions are taken by the Cabinet or individual Cabinet Members (the Executive). Each Key Decision will be communicated via a comprehensive report which must be published at least five clear days before the decision is taken. Published reports can be accessed through [Decisions Online](#). Cabinet reports will also be available in [Cabinet agenda packs](#), which are published five clear days before the meeting.

The Executive cannot consider key decisions that have not been included on the Forward Plan. However, the Council Constitution sets out procedures that can be used if a decision that has not been advertised on the Forward Plan must be taken immediately. Urgency procedures can only be used in exceptional circumstances. For further information on Access to Information procedure rules please see Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

What information is included on the Forward Plan?

The Forward Plan gives information about:

- key decisions that are likely to be considered in forthcoming months
- the earliest date a key decision can be taken
- who will make a decision
- what consultation will be undertaken
- whether the forthcoming report is likely to include exempt or confidential information

- A list of background documents to be submitted to the decision maker for consideration in relation to the forthcoming decision
- who you can contact for further information

Public representations and further information

Each Forward Plan entry gives the name of the relevant officer to contact about that particular decision. Where possible, a contact name, e-mail address and telephone number are provided.

Members of the public can make representations about forthcoming decisions by:

- Contacting the Lead Officer responsible for the report
- Contacting the decision maker or relevant Cabinet Member (details can be found on the [council website](#))
- Contacting Democratic Services

Any document listed in the Forward Plan can be requested via the Lead Officer or by contacting Democratic Services. The reader is encouraged to access any such documents electronically, however copies or extracts may be made available at the following address on request: Olive Morris House, 18 Brixton Hill, SW2 1RD.

When making representations, members of the public may submit to the decision maker any further documents relevant to the decision.

All decision dates given in the Forward Plan are subject to change. Therefore please ensure that you *always consult the latest version of the Forward Plan* for the most up to date information. Any further queries can be directed to Democratic Services.

Notice of decisions likely to contain confidential or exempt information

Local authorities are required to specify 28 days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information. Should this be the case, a private 'Part 2' report will be produced to accompany the main report, but will not be published. The public and press may also be asked to leave the Cabinet meeting for part of the proceedings. Any person is able to make representations if he or she believes the decision should instead be made in the open part of the meeting.

If you wish to make any such representation please contact Democratic Services. All representations will be documented in the relevant agenda a minimum of five clear days before the Cabinet meeting takes place. This will also include any response to the representations and a statement of the reasons why the meeting is held in private.

For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

Decision: Insurance London Consortium - Insurance Contracts

Lambeth are members of the Insurance London Consortium (ILC). The members of ILC have been very successful in procuring its insurance policies to date.

Whilst the Council accepts an element of risk with regards to insurance claims and maintains an insurance fund to cover such eventualities, it also procures for other standalone policies through the insurance market. This is the case for the following policies :

- Motor
- Commercial Properties
- Crime
- Engineering Inspection & Insurance
- Business Travel
- School Journey

Decision: Proposal regarding the site at the former Clapham Old Library

Following the acquisition of the property at 60 Orlando Road, the Council is proposing to work with Ipsus Developments and Omnibus Theatre to bring forward plans for a small scale redevelopment of the rear of the site, with the aim of creating a new asset, subject to further discussions with the planning department and formal consent, which will provide a sustainable revenue stream to the parties. The form of this joint venture is being discussed and it is anticipated that any works contracts will be under the OJEU threshold.

The Council wishes to engage with the above parties who will bring the local and commercial expertise to the venture. Ipsus Developments brought the opportunity to the Council and in recognition of their input to the process, it is proposed that the Council continues to utilise their significant local development expertise.

The Council also wishes to continue to work collaboratively with Omnibus to ensure the future of the building as a leading performance arts venue.

<p>Decision: Contract extensions and variations for care and support services within Extra Care Housing</p> <p>The proposal was to extend both current contracts for the provision of care and support within extra care schemes for two years from 1st April 2015 to 31st March 2017.</p> <p>Outcome-based models for extra care will be investigated in order to find one (or more) that provide the best value for both tenants and the council, while promoting community involvement both within and without the schemes. Various models are available and best practise in extra care is developing rapidly. A two year extension will allow time for a thorough investigation of these options and a procurement exercise.</p> <p>Ward(s) affected: All Wards</p>

<p>Decision: Independent and Living Carers Partnership (ILCP) Contract Extension</p> <p>The report will propose a 2 year contract extension be approved for the Independent and Living Carers Partnership (ILCP). The ILCP was formed in April 2015 and awarded a three year contract which ends on 31 March 2018, with option of two year extension. The ILCP is a key partnership that delivers advocacy, information, advice and carers services to people of all disabilities in Lambeth. In addition, it provides added value through the strategic partnerships it has developed across the CCG and Council. The integrated commissioning team have worked with the ILCP to develop a strategic plan which sets out their future direction – this is detailed in Appendix One.</p> <p>Ward(s) affected: All Wards</p>

<p>Decision: Contract for Mortuary Provision</p> <p>To approve the commencement of a full OJEU tender process for Lambeth’s mortuary provision.</p> <p>Local authorities are required to make provision for post-mortems and mortuary storage for bodies subject to investigation by the Coroner. On average 270 deaths in Lambeth per year are referred to the Coroner, at a cost of approximately £245,000.</p> <p>Lambeth has used the Royal Borough of Greenwich’s mortuary for several years, however there is no contract in place and a formal tendering exercise is necessary to ensure compliance with financial regulations and that best value is being obtained.</p> <p>Ward(s) affected: All Wards</p>

Decision: Woodmansterne Secondary Enabling Works and Minor Modifications to the Primary School.

Willmott Dixon has been procured as the preferred bidder for the delivery of the new 5FE Secondary Department and 150 place Sixth Form at Woodmansterne School.

The programme to deliver the new school is very challenging and in order to mitigate some of the delay, it is proposed to engage Willmott Dixon early in the process to undertake some enabling works, works deferred from the primary school project and to complete some of the external works and drainage.

Its also proposed to engage with Willmott Dixon earlier in the design process including progressing with surveys and detailed design development. This will enable an early start of the construction works in parallel with the Pre-Contract Agreement being signed and the award of the main contract to Willmott Dixon.

Willmott Dixon will be asked to provide 3 quotes for each package of works to be awarded (as per the terms of the SCF Framework Agreement).
