### **Notice of forthcoming Key Decisions**

Local authorities are required by law to give 28 days' notice of any key decisions to be made. The Forward Plan sets out information about the key decisions that Cabinet, individual Cabinet Members, Health and Wellbeing Board and the Better Places Joint Committee intend to make in forthcoming months. It ensures public notice of all key decisions is provided at least 28 days' in advance of the decision date.

The Forward Plan contains information about each forthcoming key decision and is published to the Council website every week, usually on a Friday.

### **What is a Key Decision?**

The Lambeth Council Constitution defines a key decision as an executive decision that:

- 1) Requires an amendment to the Community Plan Outcomes Framework or requires a recommendation to Full Council to amend the Budget and Policy Framework.
- 2) Results in the local authority incurring expenditure, raising income or the making of savings in excess of £500,000.
- 3) Has a significant impact on:
  - a) communities living or working in an area comprising two or more wards in Lambeth;
  - b) the wellbeing of the community or the quality of service provided to a significant number of people living or working in an area; or,
  - c) Communities of interest.

The majority of key decisions are taken by the Cabinet or individual Cabinet Members (the Executive). Each Key Decision will be communicated via a comprehensive report which must be published at least five clear days before the decision is taken. Published reports can be accessed through [Decisions Online](#). Cabinet reports will also be available in [Cabinet agenda packs](#), which are published five clear days before the meeting.

The Executive cannot consider key decisions that have not been included on the Forward Plan. However, the Council Constitution sets out procedures that can be used if a decision that has not been advertised on the Forward Plan must be taken immediately. Urgency procedures can only be used in exceptional circumstances. For further information on Access to Information procedure rules please see Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

### **What information is included on the Forward Plan?**

The Forward Plan gives information about:

- key decisions that are likely to be considered in forthcoming months
- the earliest date a key decision can be taken
- who will make a decision
- what consultation will be undertaken
- whether the forthcoming report is likely to include exempt or confidential information

- A list of background documents to be submitted to the decision maker for consideration in relation to the forthcoming decision
- who you can contact for further information

### **Public representations and further information**

Each Forward Plan entry gives the name of the relevant officer to contact about that particular decision. Where possible, a contact name, e-mail address and telephone number are provided.

Members of the public can make representations about forthcoming decisions by:

- Contacting the Lead Officer responsible for the report
- Contacting the decision maker or relevant Cabinet Member (details can be found on the [council website](#))
- Contacting Democratic Services

Any document listed in the Forward Plan can be requested via the Lead Officer or by contacting Democratic Services. The reader is encouraged to access any such documents electronically, however copies or extracts may be made available at the following address on request: Olive Morris House, 18 Brixton Hill, SW2 1RD.

When making representations, members of the public may submit to the decision maker any further documents relevant to the decision.

All decision dates given in the Forward Plan are subject to change. Therefore please ensure that you *always consult the latest version of the Forward Plan* for the most up to date information. Any further queries can be directed to Democratic Services.

### **Notice of decisions likely to contain confidential or exempt information**

Local authorities are required to specify 28 days in advance of a Cabinet meeting all the reports that are likely to contain confidential or exempt information. Should this be the case, a private 'Part 2' report will be produced to accompany the main report, but will not be published. The public and press may also be asked to leave the Cabinet meeting for part of the proceedings. Any person is able to make representations if he or she believes the decision should instead be made in the open part of the meeting.

If you wish to make any such representation please contact Democratic Services. All representations will be documented in the relevant agenda a minimum of five clear days before the Cabinet meeting takes place. This will also include any response to the representations and a statement of the reasons why the meeting is held in private.

For further information about exempt or confidential information please see the Access to Information Procedure Notes in Part 3, Section 2 of the [Council Constitution](#) or contact Democratic Services.

<p><b>Decision: Establishing Regional Adoption Arrangements in South London</b></p> <p>National policy (Education and Adoption Act 2016) is to expect local authority adoption services to be delivered on a regional/sub regional basis by 2020. Such arrangements are expected to support better children in securing adoptive families through more effective and better coordinated services, including recruitment and assessment of prospective adopters, improving the quality of post adoption support and reducing the length of time children wait to be adopted.</p> <p>Lambeth is proposing to establish, with 8 other South London authorities, one sub regional adoption agency, hosted by Southwark. This will be one of four sub regional adoption agency. This will require Cabinet agreement to a business case which will set out financial, staffing and service change implications</p> <p>Ward(s) affected: All Wards</p>

**Decision: Woodmansterne Secondary Enabling Works and Minor Modifications to the Primary School.**

Willmott Dixon has been procured as the preferred bidder for the delivery of the new 5FE Secondary Department and 150 place Sixth Form at Woodmansterne School.

The programme to deliver the new school is very challenging and in order to mitigate some of the delay, it is proposed to engage Willmott Dixon early in the process to undertake some enabling works, works deferred from the primary school project and to complete some of the external works and drainage.

Its also proposed to engage with Willmott Dixon earlier in the design process including progressing with surveys and detailed design development. This will enable an early start of the construction works in parallel with the Pre-Contract Agreement being signed and the award of the main contract to Willmott Dixon.

Willmott Dixon will be asked to provide 3 quotes for each package of works to be awarded (as per the terms of the SCF Framework Agreement).

Ward(s) affected: Streatham South

Exempt or confidential information:

Consultation details:

Decision to be taken by:  
**Deputy Leader of the Council (Children and Young People)**

Decision date:

**Decision: Special Educational Needs and/Disabilities (SEND) Parent Participation and Engagement Service**

We are seeking a decision to award provider with new contract for SEND Participation and Engagement Service starting on 1 October 2018 until September 2020.

Lambeth Local Authority has a statutory duty under the Children and Families Act 2014 to involve children and young people with SEND and their parents, carers and families in shaping the provision of services for those with SEND.

The service will contribute to the Lambeth Strategy for Children and Young People with Special Educational Needs 2017 – 2020 (SEND Strategy) as outlined below:

- Promote independence for children, young people and their families through increased participation, personalisation, leisure activities, and training and employment.
- Work in partnership across early years, schools and education providers to support achievement and progress.
- Work effectively together to maximise the impact of services and resources, through joint commissioning arrangements and the Local Offer.

**Decision: Proposal regarding the site at the former Clapham Old Library**

Following the acquisition of the property at 60 Orlando Road, the Council is proposing to work with Ipsus Developments and Omnibus Theatre to bring forward plans for a small scale redevelopment of the rear of the site, with the aim of creating a new asset, subject to further discussions with the planning department and formal consent, which will provide a sustainable revenue stream to the parties. The form of this joint venture is being discussed and it is anticipated that any works contracts will be under the OJEU threshold.

The Council wishes to engage with the above parties who will bring the local and commercial expertise to the venture. Ipsus Developments brought the opportunity to the Council and in recognition of their input to the process, it is proposed that the Council continues to utilise their significant local development expertise.

The Council also wishes to continue to work collaboratively with Omnibus to ensure the future of the building as a leading performance arts venue.
