On 25/10/2019 at approximately 23:10 hours The Hurlingham Passenger Vessel attended Tower Pier where its customers disembarked. As they loitered on the pier a large fight ensued which resulted in numerous Police officers required to deal with the incident.

Due to the level of violence being used Police utilised both PAVA incapacitant spray, batons and an "urgent assistance" radio message was called to request additional Police resources. As order was restored on the pier further disorder took place on Lower Thames Street where again batons were drawn and an officer was assaulted.

Police have CCTV footage of the above incident that can be shown at the interim steps hearing.

The above is not in isolation and there has been a history of previous incidents leading to this incident of serious disorder. Police will provide details of these previous incidents at the full review hearing.

Police are concerned that this incident has occurred following a meeting with the PLH (16/10/2019) where concerns were raised regarding incidents taking place on board the vessel.

In light of this further incident of serious disorder Police believe that the licensing objectives of the prevention of crime and disorder and public safety have been undermined.

In light of the above and at the forthcoming interim steps hearing Police would ask that the sub committee impose an immediate suspension of the Premises Licence in order to promote the licensing objectives.
