PROTECTIVE MARKING

I make this certificate on the grounds that an incident of serious disorder has occurred.

On 25/10/2019 at approximately 23:10 hours The Hurlingham Passenger Vessel attended Tower Pier where its customers disembarked. As they loitered on the pier a large fight ensues which results in numerous Police officers required to deal with the incident. Due to the level of violence Police utilised both PAVA incapacitant spray, batons and an "urgent assistance" radio message was called to request additional Police resources. As order was restored on the pier further disorder took place on Lower Thames Street where again batons were drawn and an officer was assaulted.

CCTV footage of the above incident that can be shown at the interim steps hearing.

I am aware that the above incident is not in isolation and there have been a history of previous incidents associated to this premises prior to the above incident.

I have concerns that this incident has occurred even following a meeting with the Premises Licence Holder on 16/10/2019 where concerns were raised.

In light of this incident of serious disorder I believe that that the licensing objectives of the prevention of crime and disorder and public safety have been undermined and at the interim steps hearing I would ask that the sub committee impose an immediate suspension of the Premises Licence in order to promote the licensing objectives.
