WITNESS STATEMENT

Criminal Procedure Rules, r 27. 2; Criminal Justice Act 1967, s. 9; Magistrates’ Courts Act 1980, s.5B

Statement of: David Watson

URN

Age if under 18: Over (if over 18 insert ‘over 18’) Occupation: Police Constable

This statement (consisting of page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Witness Signature: David Watson PC195945S Date: 14/11/2109

1. I am the above named person and I am serving police officer attached to Lambeth Night Time Economy Unit. I have been a police officer for over 16 years and I have been attached to my current unit for 18 months. This statement relates to the Review of Premises License, The Hurlingham motor vessel, which operates as licensed premises on the River Thames. The vessel is registered to Lambeth Pier, SE1.

2. There have been numerous incidents throughout the year where the licensing objectives have been compromised around the prevention of crime and disorder and preventing public nuisance. In early October Lambeth Licensing was contacted by the Marine Support Unit (MSU) who wished to express concerns about the running of The Hurlingham motor vessel. The Hurlingham operates as a riverboat bar and is hired out by private parties for Licensable Activities.

3. Lambeth Licensing unit was informed by the MSU that on Saturday 29th September 2019, The Hurlingham was transporting a group of Leeds United football fans to Charlton Athletic for their Championship Football fixture and upon docking the 150 or so Leeds United fans were described as being intoxicated and behaving in an anti-social manner. More units had to be sent to the area in order to prevent large scale disorder from taking place.

4. It was at this point that the MSU made Lambeth Licesning aware of further incidents that had occurred on the Hurlingham throughout the year. On Saturday 3rd August 2019, the MSU were contacted directly by London VTS (a direct radio channel with ports authority and police) and advised the MSU that there had been a fight on board The Hurlingham and that passengers were using bottles as weapons. MSU were deployed to Tower Pier and upon arrival security from the Hurlingham could be seen having to forcibly hold patrons back. Patrons were described as being intoxicated and were shouting and swearing at each other, with control seemingly lost. MSU noted that the security presence appeared inadequate for the crowd present, which added to an already dangerous situation.

5. On Saturday 27th July 2019, MSU officers working with the MCA (Marine & Costguard Agency) carried out Licensing and safety checks on the Hurlingham prior to an event taking place that was due to have 130 patrons present. A full inspection was carried out for
Continuation of Statement of:

6. On Saturday 20th July 2019, MSU were called to the Hurlingham to reports of the DJ on the vessel using words that was likely to cause offence and inciting the crowd to copy this behaviour. As the vessel passed through Battersea the DJ shouting “When I say Battersea, you say Fuck Off.” The MSU had to speak with the skipper of the vessel and offer words of advice surrounding the conduct of the DJ.

7. On Saturday 25th May 2019, the skipper of the Hurlingham put out a request for police assistance following a fight on the vessel. Two marine units and a TSG unit attended to offer assistance. On berthing the suspect responsible for causing trouble immediately ran off on seeing police towards Tower Pier. A description was circulated and the suspect was detained and it was alleged that he had caused ABH to another patron and was subsequently arrested (CRIS 4215583/19) he was described as intoxicated upon by officers arresting.. On this occasion the vessel was carrying 86 patrons with only one SIA registered security present.

8. Having been provided with the relevant details by the MSU surrounding the above incidents there was a clear common factor in all of the incidents which related to intoxication levels consumed on the vessel. It was apparent that intoxication levels were not being managed correctly and this was having an adverse effect on the running of the vessel. It was at this point I made contact with Mr Trevor Bailey-Forgoh, the dedicated premises supervisor (DPS) and informed him that I would like to arrange a meeting to discuss the incidents listed and look at ways improvement can be made. The meeting was arranged for 16/10/2019.

9. On Wednesday 16th October 2019, Mr Bailey-Forgoh and one of the managers of the vessel, Mr Wayne Eldridge attended a meeting at Brixton Police Station. Also present in the meeting was PC Charmaine Boswarva from the MSU and PC Jim Hartland from central Licesning. All of the above listed incidents were discussed with Mr Bailey-Forgoh and Mr Eldridge and the common factor of intoxication was raised. Mr Eldridge stated that at times it was easier to continue serving patrons when they were intoxicated to prevent them from causing trouble. It was pointed out to Mr Eldridge that this was an expenent poor policy and it should cease immediately. Mr Eldridge argued that this policy was adapted because it was different for them because they were unable to ask patrons to leave immediately but it was explained that this should have no bearing on their decision to serve intoxicated patrons.

10. When asked about what measures they had taken to prevent the violence that had been taking place on the vessel they stated that they had both undertaken SIA training and were now both registered SIA security trained so they could assist with the security already employed. It was advised that more security may be needed as it had been noted on previous occasions the security personnel appeared to be significantly outnumbered by patrons and they agreed that this was something they would look into but as far as I am aware this was never adopted.

11. It was noted that on one occasion there was an issue surrounding a patron being found in possession of class A substance having been on the vessel, and they were asked about
search policies for patrons entering the vessel. Mr Eldridge stated that all patrons are searched prior to entering the vessel and that he was confident that searches are conducted to high standard but occasionally items can be missed. Following the meeting there has been a further two arrests and on both occasions the suspect was found to be in possession of Class A drugs.

12. Mr Bailey-Fogah stated in the meeting that one way of controlling intoxication levels would be to hand out vouchers to patrons upon entry limiting each patron to a set number of drinks by way of controlling intoxication levels. This has never actioned.

13. On the Monday 21st October 2019, the MSU made contact with Lambeth Licensing to relay information of a further incident that had taken place on the Hurlingham, Saturday 19th October 2019, just three days after a meeting had taken place with the management from the vessel to discuss previous issues. On this occasion a patron on the vessel, who was described as extremely intoxicated approached the wheelhouse of the vessel holding a Fire Extinguisher. Upon being advised to put the fire extinguisher down he was abusive towards the skipper of the vessel and then set off the extinguisher into the wheelhouse. This action has caused significant damage to the equipment and also hindered the skipper’s ability to operate the vessel due to visibility issues, which put the vessel in serious harm. The Suspect was arrested for criminal damage and subsequently found to be in possession of a Class A substance, CRIS 4321717/19 refers and is attached to the file. In interview the suspect admitted to being intoxicated and also under the influence of Ketamine.

14. Following this incident I contacted the DPS by email which I sent on Thursday 24th October 2019, to express my concern about the incident, given the short period of time it had happened since our meeting. I was also concerned that two of the factors discussed in the meeting had risen again, intoxication levels and drugs being present on board the vessel. I asked the DPS to send me an incident log outlining their interpretation of the incident and actions taken at the time. I have not received response.

15. On Monday 28th October 2019, Lambeth Licensing was once again contacted by the MSU and on this occasion we were informed of large scale disorder that had taken place on Tower Pier on Saturday 25th October 2019, at 2315 hours, involving patrons that had disembarked onto Tower Pier from The Hurlingham. We were informed that officers from the MSU had gone to the vessel in order to carry out a routine licensing check but whilst doing so patrons from the Hurlingham had begun fighting on the Pier and officers were forced to intervene. Due to the large numbers involved and the severity of the violence, officers struggled to contain the fight and were forced to deploy PAVA and use baton strikes to try to control the fight. One officer was seriously assaulted during the incident as a result of one suspect gripping his hands around his throat in a strangling motion. Urgent assistance was requested and Firearms officers from the City London Police as well as officers from the Territorial Support Group were forced to deploy to the area. Once patrons had been removed from Tower Pier the fighting continued onto the streets with officers again being forced to carry out baton strikes and use PAVA to control the large-scale disorder.

16. One Suspect was identified and arrested for Affray and GBH, CRIS 4232401/19 & 4232404/19 refer and are attached to the file. This Suspect was also found in possession of Class A drugs.

Continuation of Statement of: Witness

Signature Witnessed by Signature: .......................................................... ..................................
Continuation of Statement of:

two wraps of white powder, which is believed to be Class A drugs, for which he was further arrested.

17. CCTV footage from Tower Pier has been extensively viewed from various angles and clearly shows large-scale disorder taking place on the Pier and then onto the streets. Footage from the Pier clearly shows that the only vessel present on the Pier is the Hurlingham and it is also clear that the patrons involved in the large-scale disorder have disembarked from the Hurlingham. There is also footage from officer’s body worn cameras that clearly highlights the severity of the large scale disorder.

18. The venue has been advised of concerns and warned of management surrounding intoxication levels on 16/10/2019, yet despite this there has been incidents of violence, criminal damage and high intoxication levels on the following two weekends. The venue was also advised about improving searches carried out on patrons to prevent controlled substances making their way onto the vessel but on both of these occasions the relevant parties have both been found in possession of Class A substances following the incident.

19. In summary the main issues at the venue surround poor management of intoxication levels, which leads to violence and criminal damage taking place. Inadequate searches taking place prior to entry to the vessel resulting in controlled substances making their way onto the vessel which also can be a contributing factor to the violence taking place and inadequate security for the numbers that are attending the venue.

20. I believe these issues can be managed by way of conditions that would bring about immediate improvement to the performance of the venue. A basic google search of the venue will show that it is advertised as ‘London’s Floating Nightclub’ and a common condition for nightclubs is to have an ID scanning machine in operation so that the venue can manage who is entering the vessel. This can also be used for intelligence sharing purposes with other venues. An ID scanning machine, in my view, will also assist the venue with the numerous football transportations it carries out throughout the football season.

21. Other conditions that will bring about improvement are surrounding security. It has often been noted that the number of security appears insufficient in comparison to the number of patrons on board. If conditions were to be imposed surrounding the number of security present, the use of Body Worn Cameras, the use of high visibility jackets and the introduction of an independent SIA Accredited Contractor Scheme security team will assist in resolving these issues.

22. In additions to conditions to be imposed I believe a change of the DPS and PLH, currently Mr Trevor Bailey-Fogah, will bring about improvement. Following our meeting, 16/10/2019, I have had no contact with Mr Bailey-Fogah despite the further incidents taking place despite request by email for an explanation of the incidents following our meeting. Mr Bailey-Fogah was not present at the summary review hearing and I have yet to have any contact with him since these proceeding have been instigated.

WITNESS STATEMENT

Criminal Procedure Rules, r 16.2; Criminal Justice Act 1967, s. 9

Statement of: Thomas Perry
Age if under 18: Over 18  (if over 18 insert 'over 18')
Occupation: Police officer

This statement (consisting of ( page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature: (witness)
Date: 30/10/19

I write this statement in addition to arrest notes made on the night of Friday 25th October 2019.

On Friday 25th October 2019 at approx 2315 hours I was on duty in full uniform with PC Mihill 5115CO and PC Clark 521CO as part of the crew of Police boat call sign Marine 3.

The crew of Marine 2 requested more units to Tower Millennium Pier where they were conducting a licensing check on the party boat named the Hurlingham.

As we went to the pier I saw the crew of Marine 2, PC Chapman 5374 PC Joyce 143 CO and PC Withers 5310 each had their batons in the ready stance. I could see numerous people fighting on the pier. With PC Clark I joined them in order to help disperse the crowd.

There were no other boats moored on the pier other than the Hurlingham. The persons on the pier had been on this boat.

I remember seeing an IC1 Female approx 30 years old, holding an alcoholic drink in a small clear plastic cup container. I requested she put it down. Which she did.

The crowd were very volatile and there were fights breaking out in numerous places. As people moved up the brow towards the Tower of London I followed. At the top of the brow another fight broke out. I attempted to break up the fight. In doing so I was assaulted resulting in the arrest of a male by the name of [redacted]. He was searched and found to be in possession of two wraps of white powder believed to be cocaine. He confirmed that he had been on the boat and stated that he had been stopping fights during the trip.

I then left the scene to process my prisoner.

Tick if witness evidence is visually recorded (supply witness details on rear)

I am the above named person and I wish to make an additional statement in relation to an incident which occurred on TOWER PIER on Friday 25th October 2019, whereby a large fight broke between clients that had been on the class V vessel ‘HURLINGHAM’.

I observed that the ‘HURLINGHAM’ was alongside TOWER PIER at 2300 hours and was the only class V vessel moored at the pier at this time.

As I walked up the pier towards the ‘HURLINGHAM’ I saw a male jumping out of one of the yellow rigid inflatables boats belonging to the THAMES RIB EXPERIENCE moored on the inside of the pier on the western side. As I made my way to the RIB the male saw me and made off at speed up the brough. I can only describe the male as being a mixed race male, 6ft tall of slim build and aged in his 20’s. He had short black hair and was wearing a grey top but no lifejacket. I believe this male had been on the ‘HURLINGHAM’ as he appeared intoxicated and appeared to be messing around. To get onto the vessel the male would have had to leap a safety barrier and jump a gap between the pier and the vessel itself. I did not pursue the male as I was then approached by another rather aggressive male as detailed in my original statement.

I can also confirm that at no time did the master of the ‘HURLINGHAM’, contact any Police vessels to state that he was concerned about the demeanour of his clients onboard.

This statement was made as an addition to my original statement made on Saturday 26th October 2019.

Officer Name: xxxx
Officer Name: xxxx

Offence Summary and Officer's Initial Actions:
The HURLINGHAM is a Class V passenger Vessel used for private hire. The maximum capacity is 153 passengers. The wheelhouse is located at the front of the vessel and is accessed via a ladder from the main deck area.

At the time of the incident there were 102 passengers and 7 crew members on board the vessel.

At approximately .2200 hours, VIW2 and VIW3 were in the wheelhouse of the vessel. VIW2 was navigating the vessel, passing beneath TOWER BRIDGE, planning on docking at TOWER PIER where the passengers would alight the vessel.

VIW2 became aware that SUS1 had picked up a fire extinguisher which was located at the bottom of the ladder. VIW2 said 'DONT PICK THAT UP MATE, DONT BE STUPID' and 'PUT IT BACK PLEASE'. SUS1 replied 'SHUT UP YOU CUNT.'

SUS1 then grabbed the nozzle of the fire extinguisher, pointed it into wheelhouse and sprayed the foam from the fire extinguisher into the wheelhouse. The foam went over the windscreen and VIW2 lost visibility. VIW2 and VIW3 then requested assistance from the MSU via VHS Radio.

The tide was ebbing which meant the vessel was being pushed against. VIW2 stated that there were boats around and without visibility the vessel could
20/10/2019 01:14

PC xxxx

have collided with the HMS BELFAST and the two Clipper Vessels in the vicinity.

VIW2 was also hit in the face by the foam which went into his mouth. SUS1 then sprayed the fire extinguisher at the CCTV. VIW3 then turned to SUS1 and said 'WHAT THE HELL ARE YOU DOING?'. SUS1 replied 'ITS JUST BANTER, IM DRUNK'. SUS1 became aggressive, left the inside of the boat and threatened to jump off. Security from the vessel pulled SUS1 inside the boat, away from the edge. Police officers from the Marine Support Unit boarded the vessel. VIW2 explained what had happened. SUS1 turned to the police officers present and said 'I THOUGHT IT WAS ON FIRE'.

The AIS (Vessel Tracker) is showing a defect and there are electrical problems throughout the vessel caused by the foam. The emergency lighting is also now defective. The full extent of the damage caused is unknown, as is the cost of the damage.

Suspect was arrested for Criminal Damage and conveyed to Bethnal Green Police Station.

If there is sufficient evidence for charge, a charge of Criminal Damage with intent to endanger life should be considered.

**INTERVIEW**
Start: 1601 hours
End 1606 hours

At Fresh Wharf Custody

Interviewed

Q: You were arrested yesterday on the 19th October 2019 AT 2236 HOURS. You were arrested for causing criminal damage to the control panel in the wheel house on a boat. The boat being the HURLINGHAM. You are said to have pressed the trigger of a fire extinguisher, causing the foam to go over the control panels, casing the damage. Can you tell me your version of events from approximately 2130 hours up until the time you were arrested?

A: Yeah that did happen. I thought I saw smoke and I was trying to put a fire out.

Q: Was you under the influence of drink when you caused this damage?

A: Yeah

Q: Were you under the influence of drugs when you caused this damage? (CCTV shows you snorting cocaine)

A: Yeah but Ketamine not cocaine

Q: Why did you spray the foam from the fire extinguisher onto the control panel?

A: To put a fire out

Q: When you first picked up the fire extinguisher, what was your intention with this?

A: To put a fire out

Q: When you picked up the fire extinguisher you were told by the first mate of the HURLINGHAM to put it down. You told the first mate to ‘shut up you cunt’. Do you remember doing this?

A: No

Q: As a result of you spraying the foam from the fire extinguisher, the foam covered the window screen and the Captain could have crashed the boat, due to there being other boats around. Were you aware this could have been a result of your actions?

A: No

Q: As a result of your actions the boat needs to be
20/10/2019 16:49
PC xxxx

repaired and investigated into the exact damage caused, as there is potentially electrical damage. Until the boat is fixed it will not be able to be used which means a loss in staff earnings. Do you think your behaviour is reasonable?

A: Obviously I made a mistake but I had good intentions.

Q: Did you have permission to do this?
A: Didn’t think you had to

Q: Do you think you had a right to do this?
A: Looking back now no, I’m sorry

Q: Do you have the means to pay for the damage caused?
A: I do work, so if we could sort out a payment plan then yeah.

Q: Do you show remorse for what you done?
A: Yeah I do, it was a mistake and I am sorry.

12/11/2019 10:47 Page 8 of 15 CRIS Live
On Friday 25th of October 2019 at approx. 2315 Marine 3 assisted Marine 2 at Tower Millennium Pier due to disorder breaking out at the Location. 

On arrival there was a Large Crowd and spates of disorder. At the top of the brow of the pier Police identified a Fight. Police attempted to Break up the fight when one of the Males (Suspect 1) grabbed an officers Neck. He was subsequently arrested for Affray and Assault on an Emergency Worker. 

A section 32 search was conducted and two small paper wraps containing a white powder were recovered, Believed to be cocaine. Suspect was further arrested for possession of Class A Drugs. 

Body Warn Video was taken of the incident but is yet to be viewed.

The drugs were seized and Exhibited as xxxx sealed in police evidence bag xxxx. Deposited at KF Custody. 

TSG arrested other persons linked to the incident and it has been handed over to xxxx

Hurlingham boat is confirmed as not having CCTV.

================

Pier Manager xxxx spoken to and will not be back at work until Monday and there is no one else that can access CCTV for the pier. Email sent to James requesting for the footage:

From: xxxx
Sent: 26 October 2019 12:46
To: xxxx
Subject: CCTV Request

Dear xxxx,

Following our telephone conversation today, I would like to request CCTV of an altercation that took place on 25/10/2019 on the Tower Millennium Pier following the Hurlingham boat’s passengers disembarking. This took place at approximately 23:15 hours.

Please let me know what you can find and I will get the data release form sent over to you as soon as possible.

Best wishes,

xxxx

================

Tower of London have been contacted and CCTV is available now for collection.

Explanatory Notes:
On Friday 25th OCTOBER 2019 at approximately 2300 hours, Officers from the Marine Policing Unit (marine 2) attended Tower Pier to conduct a licensing visit on THE HURLINGHAM Boat, which is a party boat.

Whilst speaking with staff on board THE HURLINGHAM, Officer's noticed a huge commotion at the Entry/exit to Tower Pier pontoon with screaming and shouting involving approximately 10-15 males and females. All that could be seen was arms wind milling at each other within the fracas. Officers made efforts to intervene and disperse the group, but were unable to do so. The group continued to attempt to inflict serious injury to one another, and officers were outnumbered heavily, causing officers to fear for their safety and all parties involved. It was so serious that officers had to draw batons and PAVA irritant spray, with both being used in attempt to prevent injury or harm coming to officers and those involved.

Suspect1 was seen to run into the melee of people with extreme aggression with his arm coiled back heading towards officers as if he was going to punch either the officers or those involved in the disorder. Fortunately he was pre-emptively incapacitated with PAVA spray prior to him throwing a punch.

Officers were able to temporarily disperse the crowd which had grown to 20 - 30 with assistance from a further Marine unit (Marine 3)

The group then made their way out towards PETTY WALES/LOWER THAMES STREET where they continued to fight. Officers once again made way to intervene before being joined by several assisting units.

Susp1’s description was
26/10/2019 05:04
PC xxxx

circulated and he was arrested by a TSG unit.

CCTV evidence:

Beefeater and off Duty Special xxxx approached officers on scene and advised that the main protagonist had been followed on TOWER OF LONDON CCTV. He was described as IC1 male in a red hooded top and ripped jeans. This information was relayed to PC xxxx who circulated it on the HT main channel.

The CCTV was viewed and the male is seen in at least three locations throwing punches. This is captured on Tower of London Cameras 22, 170 and 16. The security officers at the Tower of London xxxx and xxxx will burn the footage onto DVD and provide MG11’s for collection. Contact number is xxxx.

Further footage is likely to be available on LRS Cameras on TOWER PIER. The Pier xxxx needs to be contacted to view the CCTV. Assistance can be given by the Day Shift Marine Unit Duty Officer in this.

There is Body worn footage of parts of the disorder, recorded by xxxx and xxxx of the MPU.

***INTERVIEW***

Defendant: xxxx
Lead Interviewer: PC. xxxx
Solicitor: N/A
Appropriate Adult: xxxx
Start: 2020
Finish: 2023

1. How are you feeling?
2. Are you
Details of Investigation

26/10/2019 21:14

PC xxxx

working at the moment?
3. How often do you get paid?
4. Tell me what happened yesterday, FRI 25th OCT from 1800 – 2230 [bear in mind you were arrested at 2335hrs]?
5. Who were you with?
6. What were your intentions leading into the evening/early morning?
7. Tell me about the boat party leading up to the fight?
8. Were you aboard the HURLINGHAM BOAT last night?
9. It’s been alleged that you punched several people, is this correct?
10. You’re you acting in self-defence?
11. You’re you under duress to assault anyone?
12. Tell me about your interaction with Police Officers at the location?
13. Do you believe you used unlawful violence towards another and this conduct would have caused a reasonable person to fear for their safety?

NO COMMENT TO ALL QUESTIONS.
