Preventing crime and disorder: The sale of alcohol is widely recognised as a contributing factor to a rise in public disorder.
Public safety: The safety of local residents and businesses is effected by a business selling alcohol for consumption within its premises. This will inevitably result an increase in antisocial behaviour.
Preventing public nuisance: Additional traffic and noise population which will impact on local residents.
Protecting children from harm: Child educational facility within very close proximity.
Any other comments: A business of this type is not in keeping with the local area.

Dear Lambeth Council Planning Officer,

I hope you and your family are in good health and keeping safe during this pandemic.

I am writing this email to object to the Change of use for the above premises due to the following reasons.

There are already 3 premises within 50 metres of the area serving beer and alcohol and nightclub and unfortunately due to this there is an increase in antisocial behaviour especially during the evenings.

We have seen drunk people peeing in the Alleyway next to the West Norwood Mosque and also sleeping in the Alleyway.

We have people who come to pray peacefully and also children who attend the Mosque for Islamic Lessons and School Tutions and they already feel unsafe having to walk past drunk people and the above will only increase antisocial behaviour.

We have had to sweep broken liquor bottles from our front door and the pavement and unfortunately at times some people have left beer bottles and cans of beer on our doorstep knowing that as a Muslim and a Mosque alcohol is something that is not allowed. This is very insensitive to one's belief and the above application will just increase this type of behaviour.

Unfortunately there is an increase in the traffic as buses are having to line up on the main road on Ernest Avenue on the queue gets very long stretching onto the railway bridge at times.

I object to the above premises being used to serve alcohol or as a night club to play live music or any pub like venue. It's inappropriate to have a place like this next to a faith place.

I hope that the Lambeth Council rejects the change of use.

Kind Regards

N.Jahar

London Beer Factory Ltd

Preventing crime and disorder: By opening this pub, it will increase in street crime due to it's nature of business and late working hours

Public safety: There's already shortage of parking in that area and tons of buses passing every day. It's dangerous for people coming out from pub and straight on a busy road.

Preventing public nuisance: Certainly, it must be public nuisance. Again drunk people coming out of the property are public nuisance.

Protecting children from harm:

Dear Sir/Madam,

I wish to raise objection for the opening of a beer factory on the Earnest Avenue, 2-12, SE27 0DA, West Norwood, for the following reasons.

- (1) There are already a number of Pubs or drinking bars within very short distances, like Sugar Bar etc. Likewise, Sugar bar is Adjacent to that Address.
- (2) It's a very busy road, without parking bays, and close to West Norwood Bus Garage, due to which the Road is Busier than expected.
- (3) There's risk for Pedestrians due to the Narrow Nature of the Pavement along the Earnest Avenue Stretch.
- (4) Antisocial behaviours may rise due uncontrollable Actions of some Attendants.
- (5) Crime rise may not be ruled out due bad Attitude of some Attendants.
- (6) Families with children may not feel Safe.
- (7) Noise Level may rise.

Hoping to hear from you as I am a concerned Resident of SE27. Thank you.

Good afternoon Planning Officer at Lambeth Council

I sincerely hope and pray that all is well.

I would like to take this occasion to object to the Change of use for the above-mentioned premises due to the following reasons.

There are already 3 premises nearby serving beer and alcohol and nightclubs and unfortunately, due to this, there is an increase in antisocial behaviour especially during the evenings.

We have seen drunk people peeing in the Alleyway next to the West Norwood Cathedral International Church and also sleeping in the Alleyway.

We have people who come to pray peacefully and also children who attend the church services or rehearsals, we are a family community, and as families, church members we feel unsafe having to walk past drunk people and the above will only increase antisocial behaviour.

We have had to sweep broken liquor bottles from our front door and the pavement. This is very insensitive to one's belief and the above application will just increase this type of behaviour.

Unfortunately, there is an increase in the traffic as buses are having to line up on the main road on Ernest Avenue on the queue gets very long stretching onto the railway bridge at times.

Which application do you want to comment on? I OPPOSE LONDON BEER FACTORY, 2 to 12, Ernest Avenue, SE27 ODA, WEST NORWOOD.

Preventing crime and disorder: Some Attendants may resort to Antisocial behaviour and crime.

Public safety:

As there already a number of pubs, I think it

It's going to be difficult to get parking, as it's closer to the West Norwood. Due to the narrow pavement along the the property, people would be forced onto the Stretch.

n

Preventing public nuisance:

Most of the Attendance may embarrass neighbours. Broken Glasses along the pavement, may be bad for the neighbours etc

Protecting children from harm: Children are at risks due to bad characters of some of the Attendees

Any other comments: Crime rate may rise due to some Attendees
