Dear Mr Owojori

The two images attached are photographs of the relevant order from the Getir app. If you look at the top of the first image, you will see the time and date as [REDACTED] on 9 February (2021). I think this may be the time that Getir assigned a delivery person ([REDACTED] as you can see). It is fair to say that I ordered the goods shortly before [REDACTED] on 9 February 2021 and they were delivered soon after [REDACTED] on that date.

The second image shows the alcohol.

Please let me know if you require any further information.

Kind regards,

From: Ola Owojori <OOwojori@lambeth.gov.uk>

Dear Mr [REDACTED],

Further to our telephone conversation in respect of the allege sale of alcohol at the premises without authorisation on 9th February, can you please confirm the time you placed the order for alcohol and when it was delivered including any order number to assist with our investigation.

Regards

Dear Mr Owojori

I am writing to ask for your help in relation to certain licensing applications (with which you are involved) on behalf of Getir in relation to 196 Carlisle Lane, SE1 7LH.

I apologise that my questions may stem from my lack of understanding of the licensing system. This is the first time I have had to deal with such matters and there is a steep learning curve.

These matters a pertinent to Getir's application for a new Premises Licence:

[21/00008/PRMNEW | Premises Licence \(new application\) | Open for Consultation | Arch 196 Carlisle Lane London SE1 7LH \(lambeth.gov.uk\)](#)

Getir has applied for a number of TENs and variations to TENs. I am concerned that Getir may have acted improperly in regard to their TENs. If so, that would call into question their propriety to hold a Premises Licence. To clarify things, I have three questions about the various TENs.

1. I believe that the Police objected to the first TEN application on the grounds that it sought to serve alcohol 24 hours a day. As a result, the TEN was restricted to the hours of 08:00 to 00:00. It appears that subsequent TENs including that linked below appear to cover 24 hours. Please can you help me to understand why the restricted hours required by the Police do not appear to have been observed by Getir in relation to TENs and variations after the initial one.

[21/00010/TEN | Temporary Event Notice | Current Licence | Arch 196 Carlisle Lane](#)

[London SE1 7LH \(lambeth.gov.uk\)](https://www.lambeth.gov.uk)

2. I attach a photo of the front door of 196 Carlisle Lane, taken on 6 February. The only TEN displayed is one that appears to have expired. Does this mean that any alcohol that Getir was serving at that time was in breach of Licensing Rules? If so, do you know if they were in fact selling alcohol at that time? I downloaded their App and I believe that they were selling alcohol then.
3. I attach two screenshots which confirm that Getir was definitely selling alcohol on 9 February. As far as I can tell, previous TENs had expired by that date and their current TEN (linked above) would not come into force until 16 February. However, I may have misunderstood. Were Getir in breach of their TENs in selling alcohol on 9 February?

I'm grateful for your help. I suspect there may not be enough time for you to reply before the deadline tomorrow for representations on the Premises Licence so I plan to make a passing reference to these matters in that representation on the grounds that I am not sure whether or not there have been breaches.

Kind regards,
