

Central Hill Estate Enhancements

We are asking residents of Central Hill Estate for their views on how money in the Tower Hamlets Environmental Trust (THET) fund should be spent on the Estate.

The (THET) fund is an agreement between Lambeth Council and THET, with around £400k available. The agreement states the fund must be spent on things that support, and increase, the wellbeing of residents living on the Central Hill Estate, in particular works that improve the environment and security. The agreement also requires that the council's Corporate Committee has final decision on what works the fund can be spent on.
