## Annex 1 – Mandatory conditions

### 1 MANDATORY CONDITIONS (Alcohol - on)

#### Condition A1.

No supply of Alcohol may be made under the Premises Licence:

- (a) At a time when there is no Designated Premises Supervisor in respect of the Premises Licence; or
- (b) At a time when the Designated Premises Supervisor does not hold a Personal Licence or his Personal Licence is suspended.

#### Condition A2

Every supply of alcohol under the Premises Licence must be made, or authorised by a person who holds a Personal Licence.

#### Condition A3

(1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises—

(a) games or other activities which require or encourage, or are designed to require or encourage, individuals to—

- (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
- (ii) drink as much alcohol as possible (whether within a time limit or otherwise)

(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;

(d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;

(e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

#### Condition A4

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

## Condition A5

- (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.
- (2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.
- (3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either—
  - (a) a holographic mark, or
  - (b) an ultraviolet feature.

## Condition A6

The responsible person must ensure that—

- (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures—
  - (i) beer or cider: ½ pint;
  - (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
  - (iii) still wine in a glass: 125 ml;
- (b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and
- (c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.

## Additional Mandatory Licensing Conditions, Minimum Drinks Pricing:

1. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.
2. For the purposes of the condition set out in paragraph 1
  - (a) "duty" is to be construed in accordance with the Alcoholic Liquor Duties Act 1979
  - (b) "permitted" price is the price found by applying the formula -  $P=D+(D \times V)$  where:
    - (i) P is the permitted price,
    - (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
    - (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
  - (c) "relevant person" means, in relation to premises in respect of which there is in force a premises licence
    - (i) the holder of the premises licence,
    - (ii) the designated premises supervisor (if any) in respect of such a licence, or
    - (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;
  - (d) "relevant person" means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
  - (e) "value added tax" means value added tax charged in accordance with the Value Added Tax Act 1994.

3. Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

4. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.

(2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

## Annex 2 – Conditions consistent with the Operating Schedule

1. The maximum capacity of the site excluding staff, contractors, artists, performers shall be 3000 persons at any one time.
2. At least 6 Weeks prior to the event, the Premises Licence holder will produce a draft Event Management & Operation Plan (EMOP) containing detail appropriate to the Event. This will include;

3. At least 4 weeks prior to the event, the Premises Licence holder will produce a final Event Management & Operation Plan (EMOP). Both EMPO and Site Plans must be approved by SAG and Metropolitan Police Licencing prior to the commencement of the event.
4. Any minor changes to the location of amenities within the site, can be varied under a minor variation, this excludes increasing the licensable area, increasing the number of bars or points of sale for alcohol, increasing the number of stages and anything else of a material change which should be amended through the full variation process.
5. Control and management of the capacity shall be agreed in advance with SAG.
6. The Applicant shall ensure that all promoters, contractors and other personal involved with the event are made aware of any condition contained within the licence and attached conditions that will affect their involvement in the event.
7. The contact details of all key contacts of the organiser's management team shall be provided to all responsible authorities at least two weeks before the event. There must be a clear framework of information flow procedure to enable the right people to receive the correct information.
8. Phase 1 - Summer - Between the Bridges - the event will take place over the full site.  
Phase 2 - Winter at Between the Bridges - the event will take place over the full site.  
Both phases will be operated under the same premises licence.
9. The event will be delivered by Between the Bridges Ltd in conjunction with their production company Loud Sound Ltd. Between The Bridges will feature a unique mix of London's finest foods and bars. The event will also have content from local promoters, artists and creative, two interactive game spaces, and an outdoor stage programmed with a mix of DJs, cabaret, and live music. Tickets for the interactive games will be available to purchase both online in advance and onsite at the activity. The event will consist of 2 phases for Summer and Winter, with the main part of the site closing to the public in between these phases so the change overs can be completed. The Winter phase will start with a Halloween theme after which the site will be re-dressed for a winter theme.

10. The premises will be in a former car park situated between Belvedere Road and the south bank of the River Thames. The premises is entirely laid to tarmac, with two different levels, and is part of a current construction development plot. It is not open to the public and is secured with a solid hoarding and heras fence perimeter. This fenced perimeter will remain in place during our show open phases with access and egress to the premises being by means of a number of gates in the perimeter.
11. The organisers, in conjunction with the Metropolitan Police and the appointed security and stewarding contractor will put in place such plans as necessary to control the ingress and egress of the large volume of persons attending the event. This will include a highly visible security and stewarding. They will develop a plan to prevent and respond to antisocial behaviour caused by visitors to the event and undertake to commit the required resources to implement it.
12. The bars on site shall have a dedicated bar manager or supervisor and team who shall be conversant with the requirements and responsibilities for the sale of alcohol and shall be given written designation of their responsibilities.
13. The dedicated bar manager or supervisor for the bars shall directly brief, instruct, monitor and support their staff in ensuring the requirements of the Licensing Act 2003 are adhered to at all times.
14. All drinking vessels in which drinks are served shall be of strengthened glass (tempered glassware) in a design whereby in the event of breakage the glass will fragment and no sharp edges are left. Alternatively, plastic type drinking vessels to above breakage specifications may be used. No glass bottles shall remain within reach of patrons (ie champagne).
15. Any mobile dispensing servers (MDS) will be accompanied by persons not involved directly in serving alcohol. These persons ('shepherds') will be responsible, jointly with the sellers and security personnel, for ensuring that mobile units comply with the Challenge 25 policy used on site, including preventing proxy sales; and for the prevention of sales to intoxicated customers.
16. Alcohol sales will be approved by the Designated Premises Supervisor. A letter of authorisation will be supplied and retained at each bar.
17. The Designated Premises Supervisor shall close bars serving alcohol in the event of any serious breach of the licensing objectives or if so requested by an authorised licensing officer.
18. There shall be no drinks promotions, i.e. two for the price of one.
19. In the event of on sales, members of the public will be prevented from removing all open vessels of alcohol from the event site by stewards at the event exit points. Bins will be placed at these locations to allow the disposal of any open containers.
20. The organisers are committed to the responsible and legal sale of alcohol and do not tolerate provision of alcohol to children.
21. The contracted bar operator is required to make an undertaking to enforce the Challenge 25 policy for all sales of alcohol, requiring approved photographic ID. The security and event team will maintain vigilance for instances whereby alcohol is purchased by adults for supply to children and this criminal activity will be considered grounds for ejection.
22. The promoters will facilitate and support licensing inspections if appropriate.
23. The Dedicated bar Manager or Supervisor shall ensure that nobody under the age of 18 is employed to sell alcohol.

24. In the event of Off Sales only "all sales of alcohol for consumption off the premises must be in a sealed container only" (sealed containers meaning manufacturers seal of that vessel).
25. Any alcohol sold for consumption off the premises from a market stall must be sold in a sealed container (sealed containers meaning a manufacturers seal of the vessel) as a gift or as part of a gift hamper.
26. For the 2020 event there shall be a maximum of 2 bars one shall be for on sales only and one shall be for off sales only during phase 1. There shall be a maximum of 6 bars for on sales only and one for off sale only during phase 3 and 4 of the premises licence.
27. For the 2021 event we are proposing a maximum of 9 on sale bars + 1 bar serving off sales. Four of those bars are the small 'shacks' or 'huts' between 3 - 5m frontage serving a limited range of products rather than large multi dispense bars.
28. In addition to the bars internal to the event site there will be an externally facing bar on to Queen's Walk, which will serve alcohol for off sales. Drinks purchased from this bar will be sealed, but customers will be able to take them into the main event site for consumption as long as they can produce a receipt as proof of purchase. No other alcoholic drinks will be permitted to be taken into the event site.
29. Customers will not be allowed to leave the event site in possession of any alcohol beverages. All exit points shall be monitored by event staff and/all security staff.
30. A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as driving licence, passport or proof of age card with the PASS Hologram.
31. Signage advertising the aforementioned proof of age scheme shall be prominently displayed throughout the premises with a particular emphasis on the alcohol display area and service area.
32. The organisers will implement a Child and Vulnerable Persons Policy which will include provisions if a child or vulnerable person is found or reported missing. This will include liaison at the planning stages with the Police to ensure the correct questions are asked at the outset by event staff should details of the missing person need to be escalated to the Police.
33. Any person under the age of 18 years, found within the boundaries of the licensable areas to be in possession of alcohol or deemed to be intoxicated shall be escorted by Security Staff to a "safe waiting area". His or her parents/responsible adult will be contacted to collect such a person and remove him/her from the event.
34. Age restrictions may apply to each event day, the age restrictions for each event day will be agreed in advance with the SAG and will be contained within the EMOP each year.
35. Different events or activities in certain venues on site may have separate age restrictions - access to these venues will also be controlled to ensure relevant age limits are respected. If some activities do have age restrictions, this will be advertised in publicity or at point of entry. These events or activities will be agreed by SAG and will be contained in the EMOP.
36. There will be no adult or other unsuitable activity taking place during the event that would be visible to children passing the event.
37. The Applicant shall contact the building management companies for all residential properties in the immediate area, in order to notify them of the event, including details of the event timings and community hotline number.

38. The community hotline number will also be on display around the perimeter of the premises during the event.
39. All efforts should be made to prevent or reduce light pollution, especially to residential properties in the vicinity.
40. All site deliveries and collections shall be undertaken with due care, attention and diligently to minimise disturbance to residents and noise sensitive premises within the vicinity.
41. Details of any complaints received through the noise hotline shall be recorded and be made available to responsible authorities if requested. Complaints logged by residents or businesses in respect of noise and other issues shall be addressed within 24 hours and kept on record for at least 12 months following the event.
42. The Applicant, Head of Security and Event Safety Officer shall make themselves fully conversant with the current Health and Safety industry guidance.
43. Provision will be made to allow communication of emergency procedures and issues relating to the health, safety and welfare of the people within the venue. This will be done through signage and by event staff.
44. All temporary structures will be lit internally, and adequate temporary public lighting will be present on the site when necessary.
45. Suitable and sufficient lighting shall be provided to the event site especially as it is getting dark, such that all health and safety information and notice signage can be easily seen and read and at the close of the event, to enable visitors to leave the site safely.
46. The organiser will carry out an analysis of sanitary provision needs for the event using current industry guidance as a basis for determining that provision required. Suitable and sufficient sanitary provision shall then be provided.
47. All emergency exits, toilets and first aid posts shall be clearly indicated, such that it is visible from all parts of the licensed area.
48. In the unlikely event that the show has to stop, which may be temporary whilst a problem is resolved or the first step in an evacuation of the site either due to crowd related issues, or structural collapse, off site events, extreme weather conditions or the direction of the Metropolitan Police, Fire Brigade or safety officer, the Applicant shall ensure that all concerned know what their role is in any scenario and that the plans can be affected immediately.
49. In the event of an emergency, the PA system will be used to broadcast announcements. In the event of either the PA system or the power supply failing, there will be loud hailers available.
50. The event site shall be cleared of all vehicles before the public are allowed on site until 30 minutes after the site is cleared of all event-goers.
51. Should it become absolutely necessary for a vehicle to move or be moved either for emergency or serious public health hazards, the safety officer shall liaise with park officers and the vehicle shall be escorted at all times on to, or off the site and going at speed of not more than 5mph.
52. The Premises Licence holder will produce:
  - \* event risk assessment / fire risk assessment
  - \* schedule of temporary structures including wind calculations
  - \* application for section 30 (if structures are applicable)
  - \* questionnaire and inspection schedule for food traders
  - \* rules for site contractors.

RVPs shall be agreed with the SAG and identified on any site plan(s) before the event. Should these change in any way or form, the facts should be made known to the first aid providers, head of security, safety officer and the plan(s) amended accordingly.

53. All concession caterers must have suitable firefighting equipment, suitable hand washing facilities and sanitary facilities for staff.
54. All bars shall be fitted with fire extinguishers. Employees are only to operate the extinguisher if they consider that it is safe to do so and have been trained.
55. LPG cylinders shall only be used by the concessions and managed on a basis of one cylinder in use per appliance plus one spare. All other cylinders shall be stored in agreed cylinder store at strategic points on site. The Safety Officer shall ensure that the stores are clearly marked on the site plans in the Event Control Room and that they are monitored at all times for correct use. The store shall be clearly signed with "flammable gas" and "no smoking" signs. Suitable and sufficient firefighting equipment shall be sited nearby.
56. All gas installations shall have current Gas Safe compliance certificates, copies of which shall be provided to the Safety Officer and shall be produced on request by authorised officers.
57. There shall be adequate fire separation between units of approximately 1.5m to prevent fire spread. Routes for fire appliances shall have a road width of not less than 3.7m clear and at gates of not less than 3.1m and clear height of not less than 3.7m. Routes provided for fire appliances should be such that no part of the event where firefighting may be required is greater than 50m from a fire lane or existing suitable thoroughfare. These are to be clearly signed and marked on the final site plan.
58. The appropriate type and number of firefighting equipment shall be provided throughout the site. Locations and numbers will be specified in the Event Management Plan.
59. The Safety Officer will conduct a site inspection prior to opening on day of the event. Stage/Tents/Temporary Demountable Structures - all built structures shall have a completion Premises Licence A - 9 certificate issued by a competent person from the supplying company and provided to the Safety Officer. All tents shall be supplied with the appropriate fire retardancy certificate.
60. Pit barriers - these shall have ratings of at least 5kN/M<sup>2</sup> and shall be used in areas of high crowd density such as front of stage and around structures in close proximity to the stage.
61. All temporary electrical supplies, including all generators, distribution cabling and end connection for the arena shall be installed by specialist contractors in accordance to BS7909, fitted with RDC or RCBO protection where necessary and suitably earthed in accordance with the site plan and power specifications.
62. No petrol generators are allowed on site.
63. All portable electrical equipment and temporary installations associated with all work shall be protected by a Residual Current Device (RCD) and suitably earthed.
64. All electrical equipment must be isolated when not in use.
65. All portable electrical equipment brought on site must be subject to the appropriate Portable Appliance Testing (PAT) and records of these kept on site and available for inspection if required by authorised officers.
66. All temporary electrical works must have an appropriate electrical sign off certificate issued at the time of works to the safety officer and be available for inspection if required by authorised officers.

67. The local authority shall be informed of the intended use of pyrotechnics in advance. This shall be in form of written notification and should contain details of quantity, effect type, drawing or set plans showing the positions of each effect. A demonstration may be requested for any unfamiliar effects or if there are any concerns.
68. Public entrance point shall be monitored and ingress and egress shall be controlled by clickers that will be recorded and produced for inspection upon request by any of the responsible authorities.
69. All event activity will make provision for the management of access and egress to the site considering the maximum LICENSED specified capacity.
70. The organisers undertake to provide cleaning services to remove litter and waste, to apply appropriate protocols to control spillage or other contamination and to respect the natural and built environment of the site.
71. The Applicant shall ensure that sufficient, suitable and adequate purpose-built refuse receptacles are provided to the site for the duration of the event.
72. The Applicant shall ensure that cleaning teams are deployed where necessary, prior to, during and after the event, both within the event site, the wider park and neighbouring streets and roads as specified in the Waste and Sustainability Management Plan.
73. The Applicant shall ensure that where necessary during the night, the waste management company deploy cleaning teams to clean the site and ensure that all waste is removed from site either by the next opening time or after breakdown.
74. A suitable and sufficient risk assessment shall be carried out to determine the adequate level of waste infrastructure to be provided at the event, which may include yard skips, bins RCV waste trucks.
75. The Applicant shall ensure that waste management operatives litter pick and remove all waste and infrastructures and ensure that all waste equipment is removed from site. All grey wastewater toilet effluent shall be the responsibility of the organiser and arrangement shall be sought to ensure the correct transfer and disposal away from site.
76. All medical provision planning shall take into consideration the likelihood of a major incident and shall delegate powers to the statutory identified body for such major incident, e.g. the Police and the London Ambulance Service.
77. The Applicant shall carry out a suitable and sufficient risk assessment, as well as use current industry guidance to determine the level of first aid provision for the event.
78. An incident log shall be kept at the premises, and made available on request to an authorised officer of the Lambeth Council or the Police. It must be completed within 24 hours of the incident and will record the following:
  - a) Any complaints received concerning crime and disorder
  - b) Any incidents of disorder
  - c) All seizures of drugs or offensive weapons
  - d) Any faults in the CCTV system and or searching equipment
  - e) Any refusal of the sale of alcohol including date, time and name of staff member
  - f) Any visit by a relevant authority or emergency service
  - g) All First Aid provided
79. A record shall be made and kept of anybody that receives first aid on site. These records shall be retained by the PLH for at least 12 months following the event.
80. The Applicant will agree a policing plan with the Metropolitan Police's events team. The Applicant will have a clear and definitive policy on the use or possession of illegal substances at the event and will cooperate fully with other authorities to implement this.

81. The Applicant will provide anti-crime and drugs awareness advice to ticket holders. Security will not permit illegal substances into the venue. Any illegal substances found will be confiscated where possible. Security are to look out for signs of illegal substance use or illegal substance dealing. The Head of Security shall be informed through the Event Control of any person found to be dealing illegal substances. Police shall be requested to collect such persons from the security office. When a crime or other incident requiring Police attendance is reported to or discovered by a security operative, they shall obtain as much detail as possible with particular importance being placed on identifying, victims, suspects, witnesses and scenes of crime.
82. A reputable and experienced SIA-accredited security and stewarding company will be appointed to ensure public safety and to prevent crime and disorder.
83. A detailed Crowd Management Plan will be drawn up by the appointed stewarding contractor, which will specify numbers of staff and roles, where SIA qualified staff are required and emergency procedures (e.g. evacuation of the site). This plan will integrate with the EMOP for the event and will be produced in conjunction with the Metropolitan Police, the designated security contractor and the event organisers.
84. All activity within the licensed area will be appropriately managed with security and stewards. A pre- agreed level of professional stewarding and security personnel will have a designated responsibility to maintain a safe environment for members of the public attending the event.
85. The organiser will ensure that security and bar staff are trained to recognize and monitor drunkenness and refuse service to customers who have consumed excessive alcohol and trained to handle potential troublemakers and diffuse difficult situations.
86. The organiser will encourage vigilance among staff to supervise customers in all parts of the premises and will employ sufficient staff to manage the number of people waiting to be served in any bar areas.
87. Event security and stewarding will be briefed to be vigilant and identify suspicious behaviour and take appropriate action to assist in the prevention of theft and robbery and the prevention of crime and disorder within the premises.
88. The organiser will use screening on the entry points to the event to exercise the right to refuse entry to any unauthorized or disorderly person. To ensure security and integrity of the site, a level of search as pre-agreed with the responsible authorities prior to the event, shall be instigated. Pedestrian flow rates and queues shall be monitored throughout ingress to establish attendance.
89. Security and stewards will ensure that emergency vehicle access to the site is maintained at all times.
90. Security and stewards will be on duty from the beginning of the site build until the completion of the site breakdown. Numbers will be agreed with members of the SAG.
91. All items of plant and machinery are to be parked in a secure area when not in use with regular patrols by security staff.
92. The final sound management plan must be submitted for approval by the SAG a minimum of two weeks prior to the first event date.
93. An agreed noise level will be set prior to the event, with the agreement of SAG and Public Protection, this shall be monitored throughout the duration of the licence and can be amended should this be required by the relevant authorities. The agreed level shall be noted by both the council noise officer and the licensee or his delegated nominee.

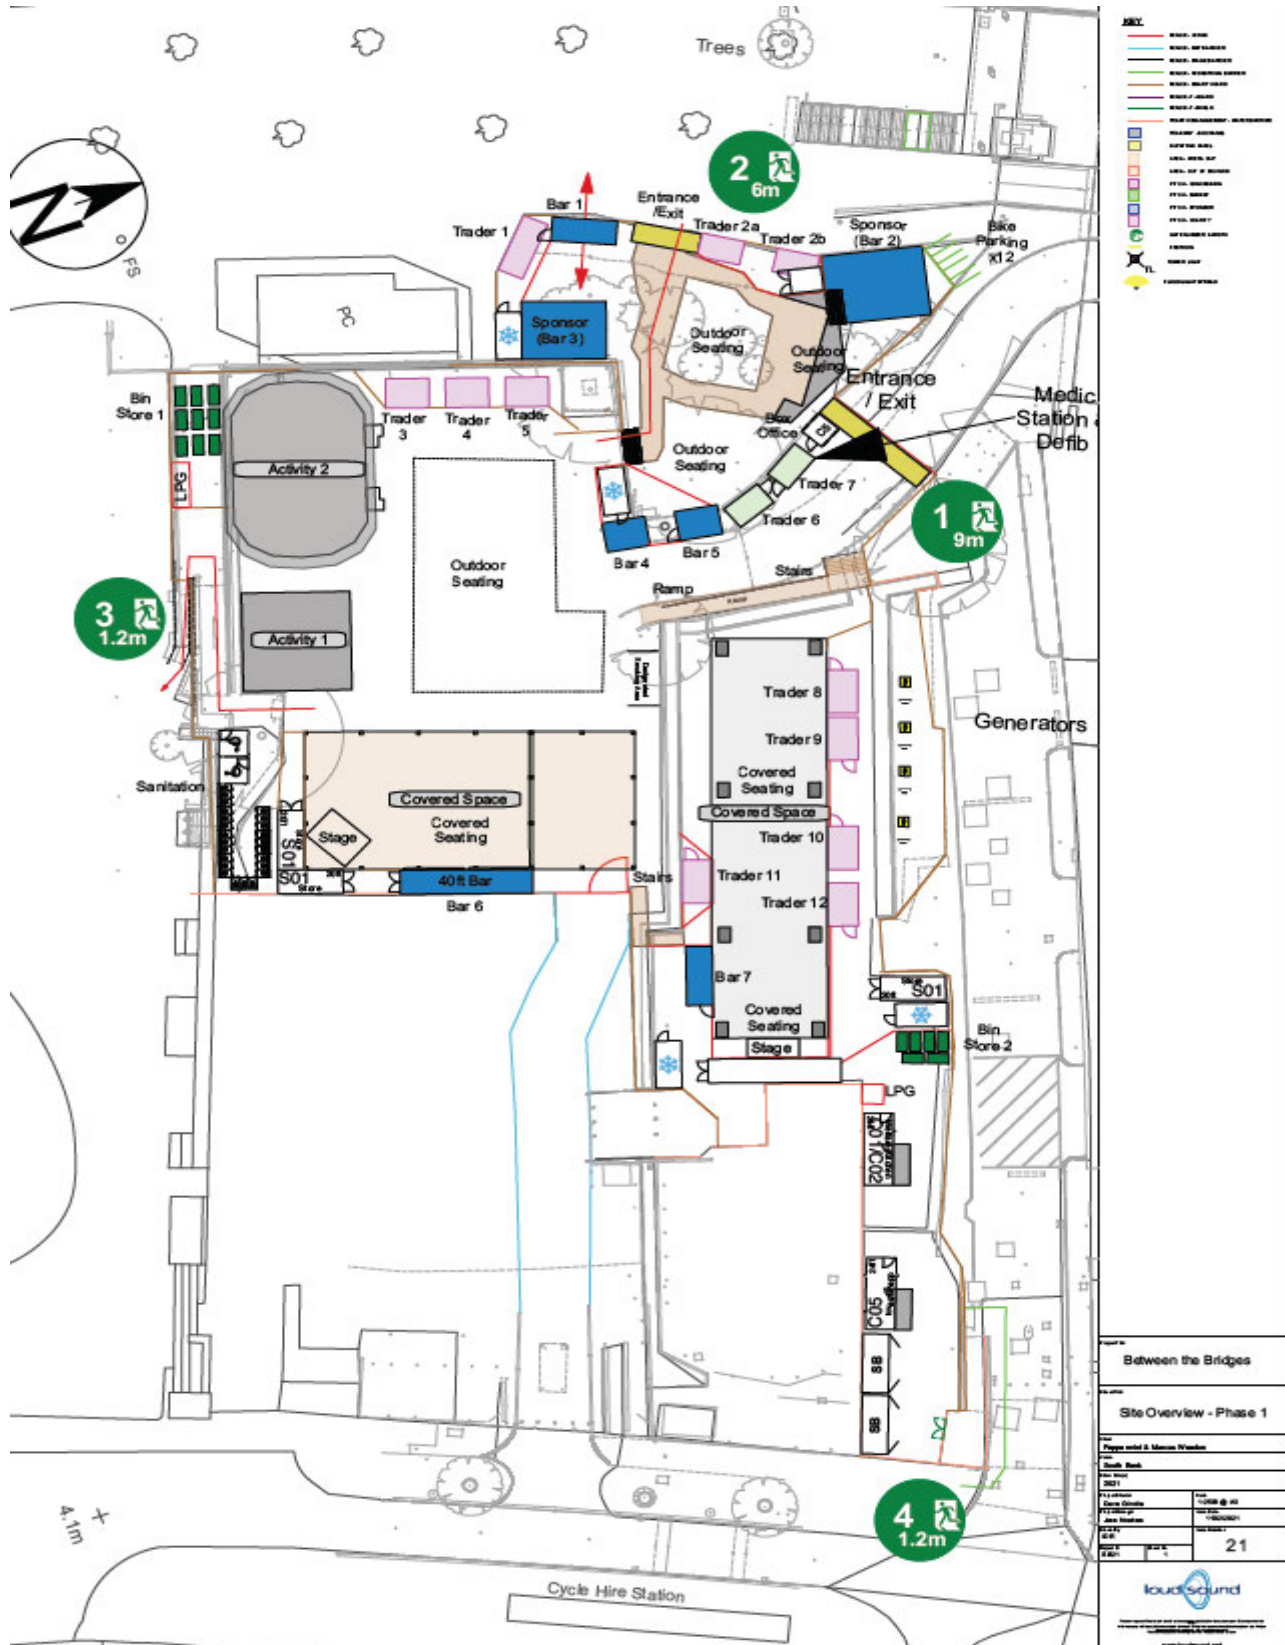

94. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a Premises Licence A - 10 nuisance to nearby residents. Any complaints shall be remedied within 48 hours and details to be recorded in the incident book including the action taken by the Licence Holder/DPS/manager.
95. The noise consultant shall liaise between all parties including PLH, promoter, sound engineers and sound equipment suppliers, Environmental Health and the Licensing Authority on all matters relating to the noise control prior to the event.
96. The organiser will employ the services of a qualified noise consultant. The noise consultant will produce a Sound Management Plan that will detail measures that should be put in place to manage music noise on site and minimise disruption to local residents. The plan will include, but not be limited to, the following information: The music noise limits / the monitoring locations / music noise times and duration / sound checks and rehearsal times and durations, including atypical events / noise control procedures and music noise levels monitoring methodology / complaints monitoring and action / compliance reporting.
97. There shall be unrestricted access to relevant areas for local authority officials for the purpose of sound level measurements, communication with the noise consultant and sound engineers and monitoring licence conditions.
98. Prior to the event, a sound propagation test will take place. The exact times for this will be agreed with Local Authority Officials in advance. The purpose of this test is to set appropriate control limits at the mixer position. The sound system shall be configured and operated in a similar manner as intended for the event. The sound source used for the test shall be similar in character to the music likely to be played at the event.
99. The licensee shall ensure that the promoter, sound equipment suppliers and all individual sound engineers are informed of the sound control limits and that any instructions from the noise consultant regarding noise levels shall be implemented.
100. The noise consultant shall monitor noise levels at mixer desk positions and advise sound engineers to ensure agreed limits are not broken, where possible.
101. Noisy construction works audible beyond the site boundary shall only be undertaken between the hours of 08:00 - 18:00 hours Monday to Saturday and 08:00 - 13:00 hours on Sunday, any works outside these times must be agreed with Lambeth Licensing and Environmental Health (Public Protection). If works or operations are agreed outside of the above hours a contact telephone number must be provided for the person in charge of these operations.
102. The Applicant shall engage with the responsible authorities and local residents to ensure that the operation of the events is undertaken in such a way as to minimise public nuisance.
