**(1) To add to main report, page 30**

**9. Organisational implications**

9.1 Environmental

The new homes will strive to be as sustainable as possible with the resources available.

9.2 Staffing and accommodation

None.

9.3 Procurement

An OJEU compliant procurement process is underway to procure development management teams to lead on the masterplanning of the Cressingham Gardens estate.

9.4 Health

The new homes should provide better health outcomes for our residents and we will look at how this can be monitored and captured (see above commentary addressing issues raised by the EIA).
