

Quietway 7 Elephant & Castle to Crystal Palace

- Quietway
- Cycle Superhighway

Correct as of March 2017

Quietway 7

Croxted Road to Park Hall Road

Summary of proposals

01 Turney Rd

- Build-out at eastern end of Turney Road to make it easier to cross
- Install new zebra crossing outside Turney School
- Replace speed cushions with humps
- Resurface carriageway and footway
- Formalise parking bays

02 Rosendale Rd/Turney Rd

- Remove mini-roundabout and slip road into Turney Road from Rosendale Rd (N)
- Build out footways and add new pedestrian space and greenery
- Formalise cycle bypass for route north
- Retain access to residential driveways
- Continuous footway across Dalkeith Rd
- Maintain access to Rosendale Allotments with dropped kerb and loading bay
- Introduce double yellow lines across driveways outside 241-245 Rosendale Rd

03 Rosendale Rd to Thurlow Park Rd

- New zebra crossing at All Saints Church
- Introduce 1.5m advisory cycle lanes
- Improve crossing facilities across raised junctions on Lovelace Road
- Replace speed cushions with humps
- Resurface carriageway
- Formalise parking bays

04 Thurlow Park Rd/Rosendale Rd

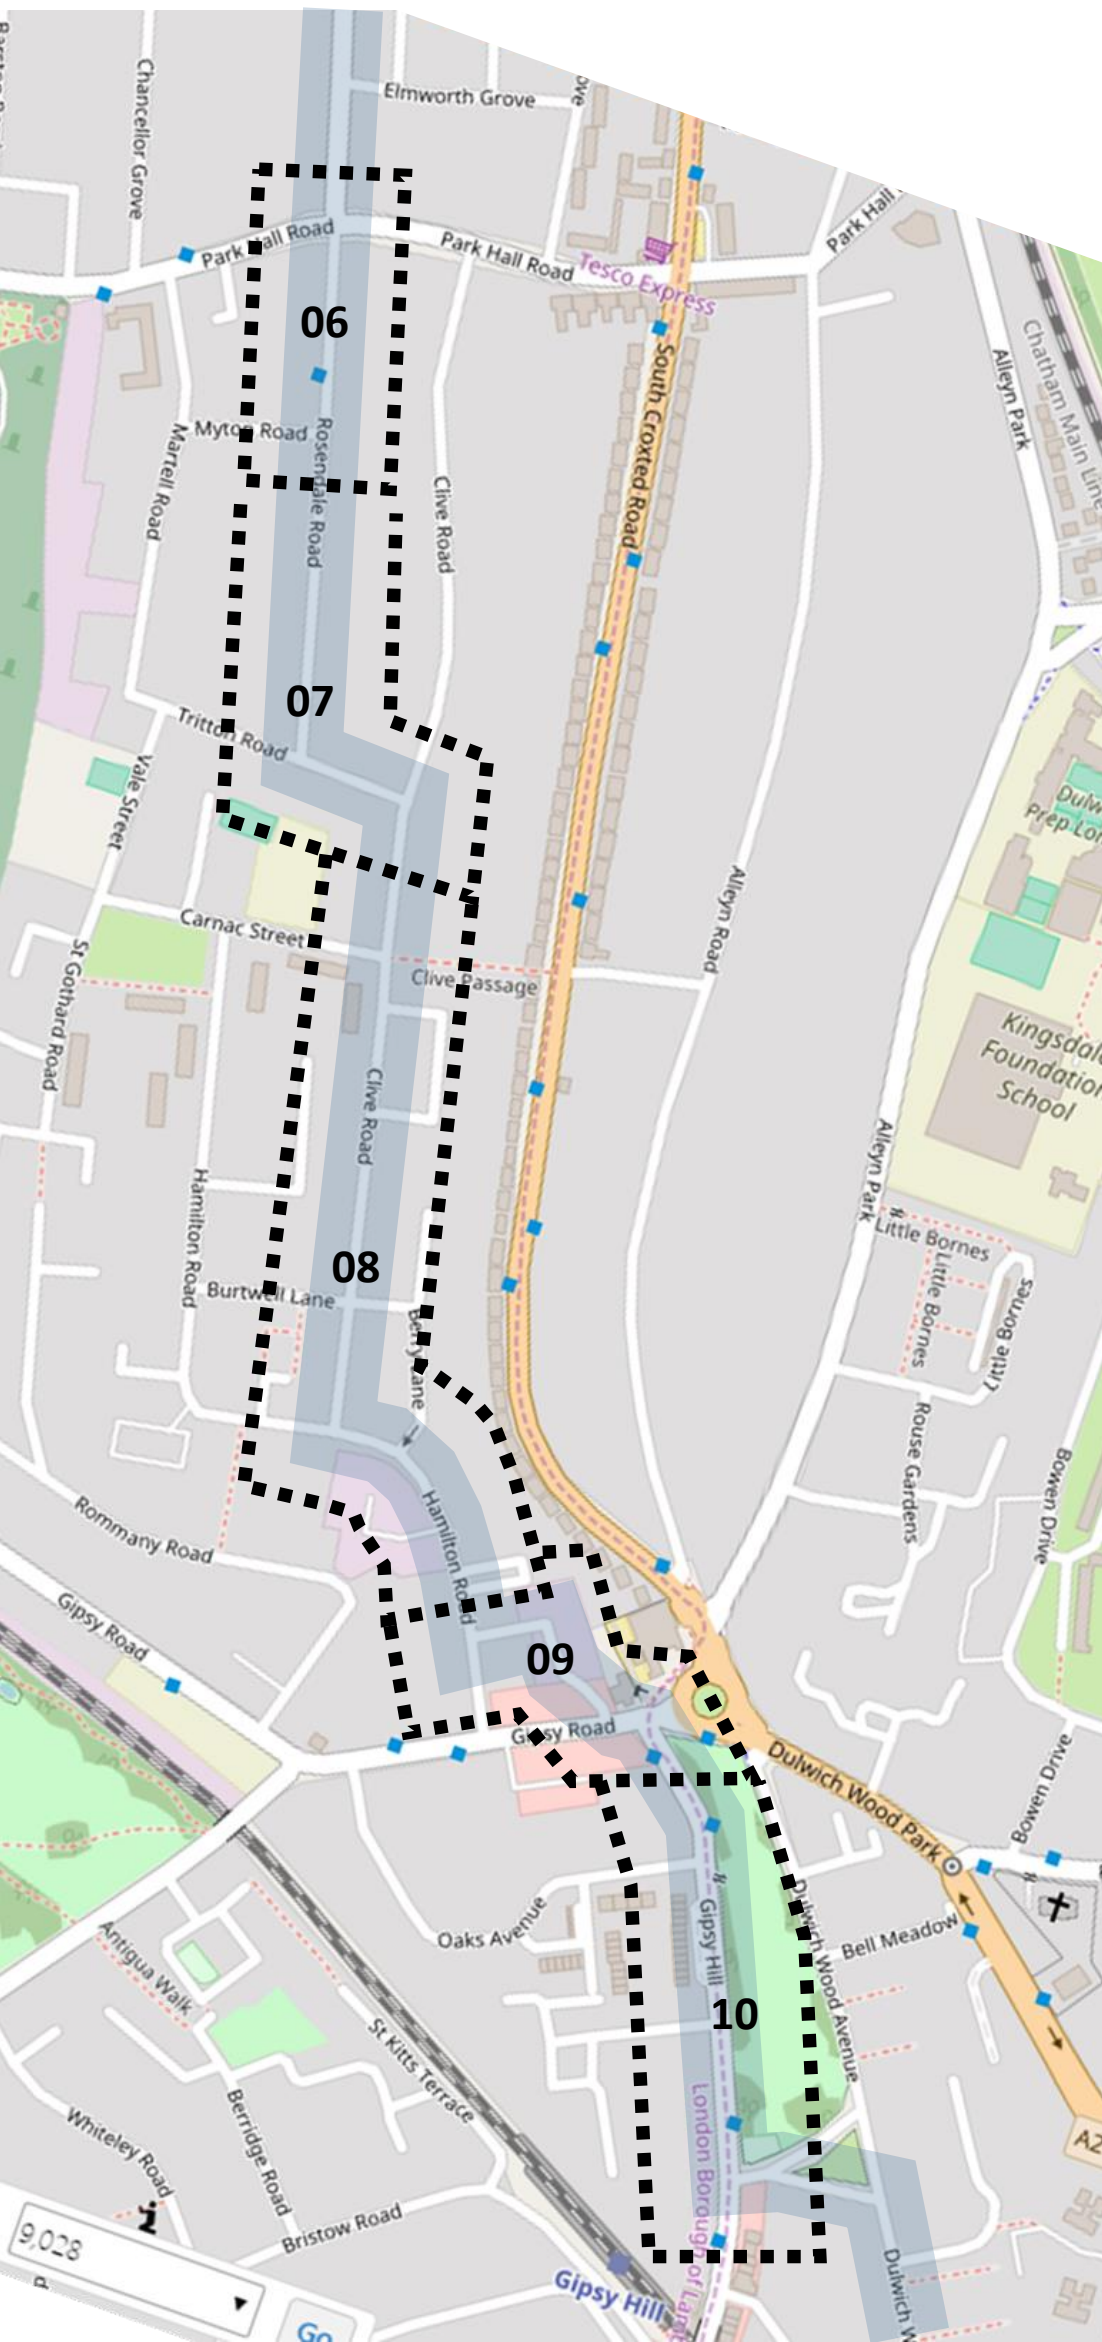

- Two-stage right turn for cyclists
- Pedestrian crossings realigned and widened to 3.2m
- New 1.5m mandatory cycle lanes
- Low-level signals with an early-release for cyclists
- Resurface carriageway

05 Rosendale Rd Shops

- New zebra crossing on a raised table with build-outs
- Formalise parking bays
- Replace speed cushions with road humps
- Introduce 1.5m advisory cycle lanes
- Continuous footway and build-outs at side roads
- Resurface carriageway

Quietway 7

Park Hall Road to Gipsy Hill

Summary of proposals

06 Park Hall Road/Rosendale Rd

- Replace mini-roundabout with a priority junction
- New zebra and three informal crossings
- Build-out pavement and plant new trees
- 1.5m advisory cycle lanes
- Resurface carriageway
- Create raised table and improve crossing at Myton Road

07 Rosendale Rd to Tritton Rd

- Change priority of junction and place on a raised table
- Build-out pavement to tighten corners and add new trees
- Install new zebra outside entrance to the school
- Widen footway outside Elm Wood Primary School

08 Clive Rd to Hamilton Rd

- Change priority of junction
- Widen footways and raised road surface at junction to calm traffic
- Formalise on-street provision by marking bays – retain part-footway parking

09 Paxton Place/Gipsy Rd/Gipsy Hill

- Permit two-way cycling in Paxton Place
- New parallel pedestrian/cycle zebra crossing at the north of Gipsy Hill
- Upgraded parallel pedestrian/cycle zebra crossing on Gipsy Road
- New shared-use area with advisory cycle track
- Continuous footway across the entrance to Paxton Place

10 Gipsy Hill

- Introduce new 2m advisory cycle lane southbound (uphill) between Oaks Avenue and Dulwich Wood Avenue
- Formalise and relocate parking to the eastern side of Gipsy Hill
- Replace speed cushions with cycle-friendly humps
