**Application: The Rooftop, The Arches, SW9
20th January 2018**

18th December 2017

Dear Ola Owojori,

I write on behalf of the Commissioner of Police for the Metropolis to raise a representation against the grant of the above application on the ground(s) of the following Licensing Objectives; Prevention of Crime & Disorder and Preventing Public Nuisance.

The application in question is a Temporary Event Notice for the above premises. The applicant has submitted a TEN for a club event followed by a silent disco on 20th January 2018. The terminal hour for this event is 11am. It is this terminal hour that has raised serious concerns. To have an event such as this, with regulated entertainment and the sale of alcohol, with such a late terminal hour would require serious assurances as to how the licensing objectives will be upheld. This TEN does not contain those assurances.

I have had contact with the applicant and discussed these issues and we have discussed the possibility of amending the terminal hour. However, there has been no movement on this issue and no new assurances provided. I therefore respectfully request that this TEN be issued with a counter notice.

Yours Sincerely,

Police Constable Joe Farrelly 850LX.
