Ms Claire Butcher and Mr Kristian Aspinall introduced the report and stated that this was a midway refresh of the current policy which had
originally been developed in 2012/13 and came into effect in 2014. Due to changing context and legislation, the policy needed updating and a refresh of the policy was required. The three areas of focus was smarter growth, public safety and some technical information.

In response to questions from Members, Ms Butcher and Mr Aspinall informed the Committee that:

- The report outlined what was to be done regarding consultation.

- There would be a 12 week statutory public consultation period that would be conducted online. However, there would also be workshops and feedback from industry representatives, resident groups and Business Improvement Districts.

- Efforts would be made for the process to be as transparent as possible.

The Committee noted the report.

The meeting ended at 7:05pm
